Sheridan Star
May 2024

It's our time to SHINE at Sheridan Elementary!

A Message from the Principal

Dear Parents,

As we head toward the last part of the school year, the staff and I would like to thank you for the opportunity to work with your children this year. It has been so rewarding for us to see the growth they have made. Our goal is to create a safe place for learning for our Superstars. I hope you will join us in congratulating our Superstars and staff on a job well done for this school year.

Even though we are approaching the last weeks of school, we still have a great deal of learning and teaching to do. Every day is important to us. It is important that your child is in school every day until May 31st.

Our annual Showcase of the Stars is scheduled for May 24th from 10:00 - 10:45 am. Each class will have a time to share the accomplishments of the year. You will be able to check your child out in the classroom and exit with a ticket.

Fifth graders will have their 5th grade celebration on May 31st. The last day of school for students will be Friday, May 31st. All papers will be sent home Thursday, May 30th. ***No backpacks should be sent on the last day of school.***

Summer information newsletters will be mailed home in early August with Meet the Teacher dates and information on the beginning of school will be included. Please give our registrar any change of address or email changes so you will receive all of the important information.

Take time to enjoy the summer and remember to read with your children every day. Have a safe and enjoyable summer. The first day of school for the 2024-2025 school year will be Monday, August 19th.

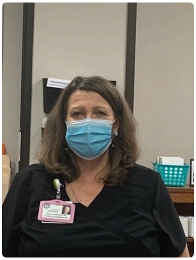
Moving?

If you are planning on moving over the summer, please let our registrar, Melissa Lopez, know your new address. This will ensure that you still receive any communications that will be sent from the school. You may contact her at melissa.lopez@cfisd.net or leave her a voice message at 281-856-1423.
Thank you and have a safe and happy summer!

A Message from the Nurse



Medication Pickup: It's that time of year again...Please make arrangements for yourself or another responsible adult to pick up your child's medication before the end of the school year. Cypress Fairbanks ISD policy does not allow students to transport medicine to and from school. All medicine not picked up by **May 31, 2024 at 3:00 pm** will be **discarded**.
Immunizations: Make sure that your child receives any required vaccines prior to the first day of school. You will also need to send the updated shot record to school. Updated shot records can be mailed or faxed to the school. If you are not sure that your child needs an immunization, you can call the clinic and I will review their current shot record and inform you if shots are needed.
Summer is a great time to start fresh with healthy activities, healthy food choices, and safety practices. If there are wheels under their feet, put a helmet on their head! Limit snacks and drinks high in sugar or salt. Try limiting sodas and fruit drinks-research shows it makes a big difference in kids' health. Spend time as a family doing indoor and outdoor activities even chores around the house can be a source of exercise and "together" time. A good night's sleep is important every night - even when school is out. Healthy children need to grow in height and weight every year, but excess weight, lack of sleep and high blood pressure can lead to a lifetime of health problems. The choices and practices you teach them now can make a world of difference to their future.

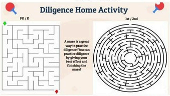
Hello everyone! We are continuing to work hard in catering to the emotional and social needs of our students here at Sheridan. In April, we recognized several students for carrying out March's character trait, Courtesy. Here is a picture of our lovely award winners!

During our guidance lessons for this month, we will be teaching students strategies to help with these topics:

Pre-K – 2nd Grade: Learning to Listen **3rd-5th Grade: Managing Overwhelming Emotions**

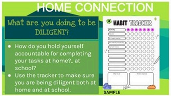
For our district wide ***Bringing Out the Best*** program, April's character trait was "**Diligence.**" Here is the activity for students to complete at home to further implement the character trait in all areas of their life.

PK- 2nd Grade



A maze is a great way to practice diligence! You can practice diligence by giving your best effort and finishing the maze!

3rd-5th Grade



HOME CONNECTION
HABIT TRACKER
SAMPLE

What are you doing to be DILIGENT?

- How do you hold yourself accountable for completing your tasks at home?.. at school?
- Use the tracker to make sure you are being diligent both at home and at school.

As always, be kind, listen to your heart, and find your happy place. 😊
