Schedule I – Schedule of Refunded Obligation Candidates
Exhibit A – Form of Pricing Certificate

AN ORDER AUTHORIZING THE ISSUANCE OF CYPRESS-FAIRBANKS INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX SCHOOL BUILDING AND REFUNDING BONDS, WHICH MAY BE ISSUED IN ONE OR MORE SERIES; LEVYING A TAX AND PROVIDING FOR THE SECURITY AND PAYMENT THEREOF; PROVIDING FOR THE AWARD OF THE SALE THEREOF IN ACCORDANCE WITH SPECIFIED PARAMETERS; AND ENACTING OTHER PROVISIONS RELATING THERETO

WHEREAS, there are presently outstanding certain obligations of Cypress-Fairbanks Independent School District (the "District"), described on Schedule I attached hereto and incorporated herein by reference for all purposes (collectively, the "Refunded Obligation Candidates"), which are secured by and payable from ad valorem taxes levied, assessed and collected, without legal limit as to rate or amount, on property within the District in an amount sufficient to pay principal of and interest on such bonds as they become due; and

WHEREAS, it is intended that all or a portion of the Refunded Obligation Candidates shall be designated as Refunded Obligations (as hereinafter defined) in the Pricing Certificate(s) (as hereinafter defined) and shall be refunded pursuant to this Order and the Pricing Certificate(s); and

WHEREAS, Chapter 1207, Texas Government Code, as amended ("Chapter 1207") authorizes the District to issue refunding bonds for the purpose of refunding or defeasing the Refunded Obligations, and to accomplish such refunding or defeasance by depositing directly with a issuing and paying agent for the Refunded Obligations (or other qualified escrow agent), the proceeds of such refunding bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Obligations, and provides that such deposit shall constitute the making of firm banking and financial arrangements for the discharge and final payment or redemption of the Refunded Obligations; and

WHEREAS, the District desires to authorize the execution of one or more escrow agreements or deposit agreements in order to provide for the deposit of proceeds of the refunding bonds and, to the extent specified pursuant hereto, other lawfully available funds of the District, to pay the redemption price of the Refunded Obligations when due; and

WHEREAS, upon the issuance of the refunding bonds herein authorized and the deposit of funds referred to above, the Refunded Obligations shall no longer be regarded as being outstanding, except for the purpose of being paid pursuant to such deposit, and the pledges, liens, trusts and all other covenants, provisions, terms and conditions of the orders authorizing the issuance of the Refunded Obligations shall be, with respect to the Refunded Obligations, discharged, terminated and defeased; and

WHEREAS, the Board hereby finds and determines that the refunding of the fixed rate Refunded Obligations as contemplated in this Order will benefit the District by providing net present value debt service savings to the District, and that such benefit constitutes valid public purpose and is sufficient consideration for the refunding contemplated herein; and

WHEREAS, the Board hereby finds and determines that the refunding of the variable rate Refunded Obligations as contemplated in this Order will benefit the District by providing long-

term financing at fixed rates thereby reducing interest rate risk and market risk as well as the total amount of variable rate debt outstanding, and that such benefit constitutes valid public purpose and are sufficient consideration for the refunding contemplated herein; and

WHEREAS, the Board hereby finds and determines that the manner in which the refunding of the variable rate Refunded Obligations is being executed does not make it practicable to make the determination required by Section 1207.008(a)(2); and

WHEREAS, the Board hereby finds and determines that it is necessary and in the best interest of the District and its citizens that it authorize by this Order the issuance and delivery of its refunding bonds at this time, and

WHEREAS, the District desires to issue, either in combination with such refunding bonds or on a stand-alone basis as part of one or more separate series of bonds, school building bonds voted by the voters of the District pursuant to the Constitution and laws of the State of Texas, including particularly Chapter 45 of the Texas Education Code, as amended, ("Chapter 45") at an election held within the District on May 4, 2019 (the "Election"); and

WHEREAS, at said Election the voters authorized the amount of school building bonds set forth below in the following schedule, such schedule also showing amounts previously issued pursuant to such voted authorization; and

Election	Amount Voted	Amount Previously Issued	Authorized but Unissued Balance
2019 Election (Proposition A)	$1,762,000,000	$817,000,000	$945,000,000

WHEREAS, the Board does hereby determine that the school building bonds in the amounts specified in Section 3.01 of this Order, including any premium charged against voted authority, should be issued as a portion and installment of the school building bonds voted as Proposition A at the Election, as identified in the pricing certificate authorizing the issuance of such bonds; and

WHEREAS, the Board has found and determined that it is necessary and in the best interest of the District and its citizens that it authorize by this Order the issuance and delivery of such school building bonds for the construction, acquisition, renovation and equipment of school buildings in the District, including safety and security infrastructure, for the purchase of the necessary sites for school buildings, and for the purchase of new school buses; and

WHEREAS, the school building bonds are authorized to be issued pursuant to Chapter 45; and

WHEREAS, the District has a principal amount of at least $100,000,000 in a combination of outstanding long-term indebtedness and long-term indebtedness proposed to be issued, and some amount of such long-term indebtedness is rated in one of the four highest rating categories for long-term debt instruments by a nationally recognized rating agency for municipal securities without regard to the effect of any credit agreement or other form of credit enhancement entered

into in connection with the obligation, and therefore qualifies as an "Issuer" under Chapter 1371 of the Texas Government Code, as amended ("Chapter 1371"); and

WHEREAS, pursuant to Chapter 1207 and Chapter 1371, the District desires to delegate the authority to effect the sale of the Bonds (as hereinafter defined) to the Authorized Officer (as hereinafter defined); and

WHEREAS, the meeting at which this Order is being considered is open to the public as required by law, and the public notice of the time, place and purpose of said meeting was given as required by Chapter 551, Texas Government Code, as amended: NOW, THEREFORE

(d) Interest shall accrue and be paid on each Bond, respectively, until the principal amount thereof has been paid or provision for such payment has been made, from the later of the Dated Date or Closing Date, as specified in the Pricing Certificate, or the most recent Interest Payment Date to which interest has been paid or provided for at the rate per annum for each respective maturity specified in the Pricing Certificate. Such interest shall be payable on each Interest Payment Date and shall be computed on the basis of a 360–day year of twelve 30–day months.

Notice of the Special Record Date and of the special payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing of such notice.

(f) Unclaimed Payments shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which the Unclaimed Payments pertain. Subject to Title 6, Texas Property Code, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three (3) years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the District to be used for any lawful purpose. Thereafter, neither the District, the Paying Agent/Registrar nor any other person shall be liable or responsible to any holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6, Texas Property Code.

Section 3.04. Execution and Registration of Bonds. (a) The Bonds shall be executed on behalf of the District by the President or Vice President and the Secretary of the Board, by their manual or facsimile signatures, and the official seal of the District shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the District had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the District whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond for each series of Bonds delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State, or by his duly authorized agent, which certificate shall be evidence that the Initial Bond for each series of Bonds has been duly approved by the Attorney General of the State and that it is a valid and binding obligation of the District, and has been registered by the Comptroller of Public Accounts of the State.

(d) On the Closing Date, the Initial Bond for each series of Bonds, representing the aggregate principal amount of each series of Bonds, to be payable in stated installments to the Representative or its designee, to be executed by manual or facsimile signatures of the President or Vice President and Secretary of the Board, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Representative or its designee. Upon payment for the Initial Bond for each series of Bonds, the Paying Agent/Registrar shall cancel the Initial Bond for each series of Bonds and deliver Bonds to DTC in accordance with Section 3.09. To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership. (a) The District, the Paying Agent/Registrar and any other person may treat the Owner as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof, for the further purpose of making and receiving payment of the interest thereon (subject to the provision herein that interest on the Bonds is to be paid to the person in whose name the Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bonds remain outstanding, the District shall cause the Paying Agent/Registrar to keep at its Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of $5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange.

(d) The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer, or sent by United States mail, first class, postage prepaid, to the Owner or his or her designee. Each Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the District and shall be

entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

Section 3.07. Cancellation. All Bonds paid or redeemed before Stated Maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of such cancelled Bonds in the manner required by the Securities Exchange Act of 1934, as amended.

Section 3.08. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount and bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.09. Book-Entry-Only System. (a) To the extent so designated in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.10 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

Section 3.11. Payments to Cede & Co. (k) Continuing Compliance. Notwithstanding any other provision of this Order, the District's obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Tax-Exempt Bonds for as long as such matters are relevant to the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the District in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.] [21]

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that sufficient and

Section 1.01. Definitions. Section 1.02. Table of Contents, Titles, and Headings. The table of contents, titles, and headings of the Articles and Sections of this Conversion Order have been inserted for convenience of reference only and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof and shall never be considered or given any effect in construing this Conversion Order or any provision hereof or in ascertaining intent, if any question of intent should arise.

Section 1.03. Interpretation.

(a) Unless the context requires otherwise, words of the masculine gender shall be construed to include correlative words of the feminine and neuter genders and vice versa, and words of the singular number shall be construed to include correlative words of the plural number and vice versa.

(b) This Conversion Order and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein.

Section 1.04. Authority for this Conversion Order. This Conversion Order is adopted pursuant to the provisions of Chapter 45 of the Texas Education Code and Chapter 1371 of the Texas Government Code.

Section 1.05. Original Order to Remain in Force. Term Rate Period to a new Term Rate Period, which Term Rate Period shall commence on the Term Rate Conversion Date and end on the date specified in the Conversion Pricing Certificate that is not later than the final maturity date of the Bonds, and no Liquidity Agreement or Liquidity Facility shall be provided for the Bonds upon such conversion to the new Term Rate Period. Pursuant to the terms of the Original Order, the Bonds shall be subject to mandatory tender for purchase on the first Business Day immediately following the last day of such new Term Rate Period.

(b) Upon the conversion of the Bonds to the new Term Rate Period as approved and authorized herein, the Bonds shall have such terms as set forth in the Original Order, except as modified by this Conversion Order and the Conversion Pricing Certificate.

(d) Unless otherwise determined by the Pricing Officer and set forth in the Conversion Pricing Certificate, the Bonds shall be subject to redemption at the option of the District as provided in Article V of the Original Order.

(e) As authorized by Chapter 1371, Texas Government Code, as amended, and the provisions of the Original Order, the Pricing Officer is hereby authorized to act on behalf of the District in connection with the remarketing and conversion of the Bonds, including determining any changes to the Stepped Rate and optional redemption provisions for the Bonds upon the conversion thereof to the new Term Rate Period as approved and authorized herein and all other matters relating to the remarketing and conversion of the Bonds, including making changes to the Form of Bond for the Bonds in connection with the conversion. Any determinations by the Pricing Officer shall be set forth in an Officer's Pricing Certificate (the "Conversion Pricing Certificate") delivered to the Remarketing Agent, the Paying Agent/Registrar and the Tender Agent on or before the Conversion Date for the conversion of the Bonds to the new Term Rate Period approved and authorized herein. Any finding or determination by the Pricing Officer as authorized herein shall have the same force and effect as a finding or determination made by the Board.

The conversion of the Bonds to a new Term Rate Period as approved and authorized herein shall be accomplished in accordance with the provisions of the Original Order, the 2019 Conversion Order, and this Conversion Order, and the Pricing Officer and all other employees and officers of the District are authorized and directed to perform all such acts and things necessary or desirable to accomplish such conversion of the Bonds, all as more particularly set forth in Section 3.07 hereof.

Section 2.02. Remarketing Memorandum. The District hereby authorizes the preparation of a remarketing memorandum or other disclosure document (the "Remarketing Memorandum") for use in the remarketing of the Bonds in connection with the conversion thereof

from the existing Term Rate Period to a new Term Rate Period as approved and authorized herein, and authorizes the Pricing Officer to deem the Remarketing Memorandum final within the meaning and for the purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule") on behalf of the District. The use of the Remarketing Memorandum by the Remarketing Agent (in the form and with such appropriate variations as shall be approved by the Pricing Officer and the Remarketing Agent) is hereby approved and authorized and the proper officials of the District are authorized to execute such Remarketing Memorandum.

Section 2.03. Confirmation of Appointment of Remarketing Agent. The District hereby confirms and ratifies the appointment of Piper Sandler & Co. as the Remarketing Agent for the Bonds, and the Pricing Officer is hereby authorized and directed to approve the fees of the Remarketing Agent as provided under the Remarketing Agreement with respect to the Bonds.

TASB RISK MANAGEMENT FUND
INTERLOCAL PARTICIPATION AGREEMENT

Pursuant to the Texas Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Participation Agreement (Agreement) is entered into by and between the Texas Association of School Boards Risk Management Fund (Fund) and the undersigned local government of the State of Texas (Fund Member). The Fund is an administrative agency of local governments (Fund Members) that cooperate in performing administrative services and governmental functions relative to risk management.

TERMS AND CONDITIONS

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, including, without limitation, the agreement of the Fund and Fund Members to provide risk management programs as detailed in this Agreement, the receipt and sufficiency of which are hereby acknowledged, Fund Member and the Fund, intending to be legally bound, and subject to the terms, conditions, and provisions of this Agreement, agree as follows:

1. **Authority**. Fund Member hereby approves and adopts the Restatement of Interlocal Agreement, dated May 20, 1997, which restated the Interlocal Agreement dated July 2, 1974, establishing the predecessor of the Fund. The Restatement of Interlocal Agreement is incorporated into this Agreement by reference and is available from the Fund upon request. This Agreement serves to outline the relationship between the Fund and Fund Member. While the Texas Interlocal Cooperation Act provides the overarching basis for the Fund, certain Fund programs are further authorized pursuant to various statutes, such as Chapter 504 of the Texas Labor Code, pertaining to workers' compensation; and Chapter 2259, Subchapter B, of the Texas Government Code, pertaining to other risks or hazards.

2. **Program Participation**. This Agreement enables Fund Member to participate in one or more of the Fund's available programs. Because this is an enabling Agreement, Fund Member must also execute a separate Contribution and Coverage Summary (CCS) for each Fund program from which it seeks coverage and/or administrative services. Only a valid CCS will confer the right to participate in a specific program and each CCS shall be incorporated into this Agreement. Through participation in any Fund program, Fund Member waives none of its immunities and authorizes the Fund, or its designee, to assert such immunities on its behalf and on behalf of the Fund or its designee.

3. **Term of Agreement**. This Agreement shall be effective from the date of the last signature below and shall remain in effect unless terminated as provided in this Agreement. This Agreement will automatically terminate if Fund Member ceases to participate in at least one of the Fund's programs (due to the expiration of a CCS participation term or the valid termination of same) or fails to meet the membership qualifications of the Fund as provided in this Agreement and as determined by the Fund in writing.

4. **Termination.** Unless this Agreement is automatically terminated as described above, this Agreement, and/or any component CCS applicable to Fund Member, can be terminated as set forth below. However, unless specifically required in a CCS, the termination of any single Fund program under a CCS shall not also result in the automatic termination of another pending CCS, or this enabling Agreement if any other CCS is still in force for Fund Member. Rather, each Fund program can only be terminated as provided in this Agreement.

    a. **By Either Party with 30 Days Notice before Renewal**. Any CCS may be terminated by either party with termination to be effective on any successive renewal date by giving written notice to the other party no later than 30 days prior to automatic renewal.

    b. **By Fund Member upon Payment of Late Notice Fee**. If Fund Member fails to terminate a CCS as provided above, it may still terminate participation in any Fund program prior to the renewal date by paying a late notice fee as herein provided. If Fund Member terminates the CCS before the renewal date, but with fewer than 30 days' advance written notice, Fund Member agrees to pay the Fund a late notice fee in the amount of 25% of the annual contribution for the expiring participation term. Fund Member expressly acknowledges that the late notice fee is not a penalty, but a reasonable approximation of the Fund's damages for the Fund Member's untimely withdrawal from the program identified in the CCS. However, once the renewal term of a CCS commences, Fund Member can no longer terminate the CCS by paying a late notice fee; the CCS shall renew and Fund Member must pay 100% of the annual contribution for the renewal period.

    c. **By the Fund upon Breach by Fund Member.** The Fund may terminate this Agreement or any CCS based on breach of any of the following obligations, by giving 10 days' written notice to Fund Member of the breach; and Fund Member's failure to cure the breach within said 10 days (or other time period allowed by the Fund):

        1) Fund Member fails or refuses to make the payments or contributions required by this Agreement;

        2) Fund Member fails to cooperate and comply with any reasonable requests for information and/or records made by the Fund;

3) Fund Member fails or refuses to follow loss prevention or statutory compliance requirements of the Fund, as provided in this Agreement; or

4) Fund Member otherwise breaches this Agreement.

If the Fund terminates this Agreement, or any CCS, based on breach as described above, Fund Member agrees that the Fund will have no responsibility of any kind or nature to provide coverage on the terminated Fund program post-termination. Further, Fund Member shall bear the full financial responsibility for any unpaid open claim and expense related to any claim, asserted or unasserted and reported or unreported, against the Fund or Fund Member, or incurred by the agents or representatives of Fund Member.

In addition to the foregoing, if termination is due to Fund Member's failure to make required payments or contributions, Fund Member agrees that it shall pay the Fund liquidated damages in the amount of 50% of the annual contribution for the participation term identified in the terminated CCS.

5. **Contributions.**

a. **Agreement to Pay Contribution.** Fund Member agrees to pay its contribution for each Fund program in which it participates based on a plan developed by the Fund. The amount of contribution will be stated in the relevant CCS and will be payable upon receipt of an invoice from the Fund. Late fees amounting to the maximum interest allowed by law, but not less than the rate of interest authorized under Chapter 2251, Texas Government Code, shall begin to accrue daily on the first day following the due date and continue until the contribution and late fees are paid in full. If Fund Member fails to pay the amounts due under this Agreement, including any CCS, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for Fund Member's benefit, to offset the amount owed. Any offset will not extinguish Fund Member's obligation for any and all payments due under this Agreement, including any CCS.

b. **Other Payments Due to the Fund**. In addition to contributions, if the Fund Member owes other payments to the Fund, such as deductibles or claim overpayments, and Fund Member fails to timely pay the amounts due, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for the Fund Member's benefit to offset the amounts owed.

c. **Estimated Contribution and Contribution Adjustment**. In specified situations, the amount of contribution shown in the CCS will be identified as an estimate. The Fund reserves the right to request an audit of updated exposure information at the end of the CCS participation term and adjust contributions if Fund Member's exposure changes during the CCS participation term. As a result of the exposure review, any additional contribution payable to the Fund shall be paid by Fund Member, and any overpayment of contribution by Fund Member shall be returned or credited by the Fund. The Fund reserves the right to audit the relevant records of Fund Member in order to conduct this exposure review.

Upon expiration of each participation period, Fund Member may request a contribution adjustment due to exposure changes. Such request must be made in writing within 60 days after the end of the participation period. Fund Member must provide documentation as requested by the Fund to demonstrate that the exposure change warrants a contribution adjustment.

The annual contribution may be adjusted due to an exposure change or audit as presented in the CCS. The Fund may also request a contribution adjustment should the Fund's underwriting income for any program within a given program year be inadequate to pay the ultimate cost of claims incurred for that year, the Fund may collect an adjusted contribution from any current or former Fund Member if that Fund Member's contribution is inadequate to pay the Fund Member's claims incurred during that year.

6. **Contribution and Coverage Summary**. Fund Member agrees to abide by each CCS that governs its participation. A CCS will incorporate the program specific coverage document, if any, which sets forth the scope of coverage and/or services from the Fund. This Agreement will be construed to incorporate the CCS, Coverage Agreements, Endorsements, and Addenda, if any, whether or not physically attached. A CCS for a Fund program will state the participation term. After Fund Member's execution of a CCS, the CCS will automatically renew annually, unless terminated in accordance with this Agreement. Any renewal containing a change in the amount of contribution or other terms will be subject to the Amendment by Notice process described in this Agreement.

7. **Loss Prevention**. The Fund may provide loss prevention services to Fund Member. Fund Member agrees to adopt the Fund's reasonable and customary standards for loss prevention and to cooperate in implementing any and all reasonable loss prevention and statutory compliance recommendations or requirements. The Fund makes no warranty on Fund loss prevention recommendations.

8. **Other Duties of Fund Member**.

   a. **Standards of Performance**. Time shall be of the essence in Fund Member's reporting of any and all claims to the Fund, payment of any contributions or monies due to the Fund, and delivery of any written notices under this Agreement.

   b. **Claims Reporting**. Notice of any claim must be provided to the Fund as required by law or the applicable Coverage Agreement. Failure by Fund Member to timely report a claim may result in denial of coverage or payment of fines or penalties imposed by law or regulatory agencies. If the Fund advances payment of any fine or penalty arising from Fund Member's late claim reporting, Fund Member will reimburse the Fund for all such costs.

   c. **Cooperation and Access**. Fund Member agrees to cooperate and to comply in a timely manner with all reasonable requests for access, information and/or records made by the Fund or by a third-party acting for the Fund. Fund Member further agrees to provide complete and accurate statements of material facts, to not misrepresent or omit such facts, or make false statements to the Fund. The Fund Member agrees that any information held by the Fund's Administrator, or its' affiliated entities may be provided to the Fund. The Fund reserves the right to audit the relevant records of Fund Member to determine compliance with this Agreement.

9. **Administration of Claims**. The Fund or its designee agrees to administer all claims for which Fund Member has coverage after Fund Member provides timely written notice to the Fund. Fund Member hereby authorizes the Fund or its designee to act in all matters pertaining to handling of claims for which Fund Member has coverage pursuant to this Agreement. Fund Member expressly agrees that the Fund has sole authority in all matters pertaining to the administration of claims and grants the Fund or its designee full decision-making authority in all matters, including without limitation, discussions with claimants and their attorneys or other duly authorized representatives. Fund Member further agrees to be fully cooperative in supplying any information reasonably requested by the Fund in the handling of claims. All decisions on individual claims shall be made by the Fund or its designee, including, without limitation, decisions concerning claim values, payment due on the claim, settlement, subrogation, litigation, or appeals.

10. **Excess Coverage/Reinsurance**. The Fund, in its sole discretion, may purchase excess coverage or reinsurance for any or all Fund programs. In the event of a substantial change in terms or cost of such coverage, the Fund reserves the right to make adjustments to the terms and conditions of a CCS as allowed by the Amendment by Notice process under this Agreement. If any reinsurer, stop loss carrier, and/or excess coverage provider fails to meet its obligations to the Fund or any Fund Member, the Fund is not responsible for any payment or any obligations to Fund Member from any reinsurer, stop loss carrier, or excess coverage provider.

11. **Subrogation and Assignment of Rights**.

   a. Fund Member, on its own behalf and on behalf of any person entitled to benefits under this Agreement, assigns all subrogation rights to the Fund. The Fund has the right, in its sole discretion, without notice to Fund Member, to bring all claims and lawsuits in the name of Fund Member or the Fund. Fund Member agrees that all subrogation rights and recoveries belong first to the Fund, up to the amount of benefits, expenses, and attorneys' fees incurred by the Fund, with the balance, if any, being paid to Fund Member, unless otherwise specifically stated in the Agreement. Award of funds to any person entitled to coverage, whether by judgment or settlement, shall be conclusive proof that the injured party has been made whole. Fund Member's right to be made whole is expressly superseded by the Fund's subrogation rights. If Fund Member procures alternate coverage for a risk covered by the Fund, the latter acquired coverage shall be deemed primary coverage concerning that risk.

   b. Fund Member shall do nothing to prejudice or waive the Fund's existing or prospective subrogation rights under this Agreement. If Fund Member has waived any subrogation right without first obtaining the Fund's written approval, the Fund shall be entitled to recover from Fund Member any sums that it would have been able to recover absent such waiver. Recoverable amounts include attorneys' fees, costs, and expenses.

12. **Appeals.** Fund Member shall have the right to appeal any written decision or recommendation to the Fund's Board of Trustees, and the Board's determination will be final. Any appeal shall be made in writing to the Board Chair within 30 days of the decision or recommendation.

13. **Bylaws, Policies, and Procedures**. Fund Member agrees to abide by the Bylaws of the Fund, as they may be amended from time to time, and any and all written policies and procedures established by the Fund (which are available from the Fund upon written request). If a change is made to the Fund's Bylaws, written policies or procedures which conflicts with or impairs a CCS, such change will not apply to Fund Member until the renewal of such CCS, unless Fund Member specifically agrees otherwise.

14. **Payments**. Fund Member represents and warrants that all payments required under this Agreement of Fund Member shall be made from its available current revenues.

15. **Fund Member's Designation of Coordinator**. Fund Member agrees to designate an employee with appropriate authority as coordinator (Program Coordinator) for Fund Member on this Agreement or any CCS executed by Fund Member. Fund Member's Program Coordinator shall have express authority to represent and to bind Fund Member, shall fully communicate with the Fund regarding Fund business, and shall not delegate this communication to a third party. The Fund will not be required to contact any other individual regarding matters arising from or related to this Agreement. Fund Member reserves the right to change its Program Coordinator as needed, by giving written notice to the Fund; such notice is not effective until actually received by the Fund. Notice provided to the Chief Executive Officer of Fund Member shall also serve as notice to the Program Coordinator.

16. **Risk Sharing Agreement**. This Agreement is a risk sharing and risk participation agreement and should not be construed to be a contract of insurance. If any ambiguity exists in this Agreement, including any CCS or specific coverage document, the provision shall not be construed against the Fund as drafter of this Agreement. The Fund is not an insurance company nor is any member an insured. The Fund is a self-insured risk pool through which its members agree to share risk and actively participate in their contractual obligations to lessen risk and cost for all members. Any reference in this Agreement to an insurance term or concept is coincidental, is not intended to characterize the Fund as "insurance" as defined by law, shall be deemed to apply to self-insurance, and is not to be construed as being contrary to the self-insurance concept.

17. **Representation**. Fund Member authorizes the Fund to represent Fund Member in any lawsuit, dispute, or proceeding arising under or relating to any Fund program and/or coverage in which Fund Member participates. The Fund may exercise this right in its sole discretion and to the fullest extent permitted or authorized by law. Fund Member shall fully cooperate with the Fund, its designee, and the Fund's chosen counsel, including, without limitation, supplying any information necessary or relevant to the lawsuit, dispute, or proceeding in a timely fashion. Subject to specific revocation, Fund Member designates the Fund to act as a class representative on its behalf in matters arising out of this Agreement.

18. **Members' Equity**. The Fund Board, in its sole discretion, may declare a distribution of the Fund's members' equity to Fund Members. Members' equity belongs to the Fund. No current or former individual Fund Member is entitled to an individual allocation or portion of members' equity.

19. **Entire Agreement**. This Agreement, together with the Restated Interlocal Agreement, Bylaws, CCSs, and Coverage Agreements that are in effect as to Fund Member from time to time, represent and contain the complete understanding and agreement of the Fund and Fund Member, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Fund and Fund Member other than those set forth in this Agreement duly executed in writing. In the event of conflict between the terms of this Agreement and the Restated Interlocal Agreement, Bylaws, CCS, or any Coverage Agreement, the specific terms of the later adopted agreement shall prevail to the extent necessary to resolve the conflict. This Agreement replaces all previous Interlocal Participation Agreements between the Fund and Fund Member. Notwithstanding the foregoing, this Agreement does not supersede any unexpired participation term or pending claim under an existing agreement between Fund Member and Fund.

20. **Amendment by Notice**. This Agreement, including any of its component CCSs or coverage documents, may be amended by the Fund, in writing, by providing Fund Member with written notice before the earlier of (i) the effective date of the amendment or (ii) the date by which Fund Member can terminate without payment of late notice fees or liquidated damages. Unless this Agreement expressly provides otherwise, an amendment shall only apply prospectively and Fund Member shall have the right to terminate this Agreement, or a component CCS to which the amendment applies, before the amendment becomes effective, as provided in this Agreement. If Fund Member fails to give the Fund timely written notice of termination, Fund Member shall be deemed to have consented to the Fund's amendment and agrees to abide by and be bound by the amendment, without necessity of obtaining Fund Member's signature.

    The Fund may amend this Agreement or any CCS effective upon renewal. Amendments may be for any reason including changes to the terms or contribution amount.

    The Fund may also amend this Agreement or any CCS, effective during the term of a CCS, for any reason including but not limited to the following:

    a. State or federal governments, including any court, regulatory body, or agency thereof, adopt a statute, rule, decision, or take any action that would substantially impact the rights or financial obligations of the Fund as it pertains to this Agreement, or any Fund program or CCS.

    b. The terms of the Fund's stop-loss or excess coverage or reinsurance change substantially.

    If the Fund exercises the option to amend the Agreement or any CCS during the term of a CCS and prior to renewal, the Fund shall give Fund Member 30 days advance written notice. Fund Member will then have the right during the 30-day period to give the Fund written notice of termination of the applicable Fund program, effective upon the expiration of the 30-day notice period (or longer period if so provided by the Fund in writing).

21. **Severability; Interpretation**. If any portion of this Agreement shall be declared illegal or held unenforceable for any reason, the remaining portions shall continue in full force and effect. Any questions of particular interpretation shall not be interpreted against the drafter of this Agreement, but rather in accordance with the fair meaning thereof.

22. **Dispute Resolution**. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to conflict of law principles that would require the application of the laws of another state. The Fund retains its governmental immunity except to the extent it is waived by the legislature. The parties agree that the following adjudication procedures apply to any legal dispute, and that the Fund Member's right to file suit against the Fund is contingent upon compliance with these procedures pursuant to Texas Local Government Code section 271.154:

    a. Prior to filing suit, the Fund Member must comply with all of its obligations under this Agreement and any specific Coverage Agreement including an appeal to the Fund Board as described by Section 12 of this Agreement. A good-faith appeal to the Fund Board is a pre-suit adjudication procedure that is required before litigation by a Fund Member against the Fund.

    b. Prior to filing suit, the Fund Member will participate in good faith in mediation in Travis County, Texas before a mediator approved by both parties; and

    c. Any suit against the Fund must be brought in Travis County, Texas.

    In the event of a lawsuit or formal adjudication between Fund Member and the Fund, the prevailing party is entitled to recover reasonable and necessary attorneys' fees and expenses, including expert fees, that are equitable and just.

    Waiver and Estoppel. No provision of this Agreement will be deemed waived by either party unless expressly waived in writing by the waiving party. No waiver shall be implied by delay or any other act or omission. No waiver by either party of any provision of this Agreement shall be deemed a waiver of such provision with respect to any subsequent matter relating to such provision. Estoppel may not be asserted against either party so as to prevent that party from enforcing or insisting on the other party's compliance with any provision of this Agreement.

    Assignment. This Agreement or any duties or obligations imposed by this Agreement shall not be assignable by Fund Member without the prior written consent of the Fund. Fund Member shall not transfer any interest in Fund claim related payments to any third party, including, but not limited to litigation finance companies, attorneys, banks, public adjusters, architects, engineers, or contractors. Any action by the Fund Member which grants or attempts to grant to any third party an interest in or control over any claim payment, including, but not limited to, the Member's entry into a contingent fee contract, will immediately suspend any obligation by the Fund to make any claim payment under this Agreement. The obligation of the Fund to make any such claim payments shall not be restored unless and until the Fund Member provides the Fund with evidence reasonably satisfactory to the Fund that any such transfer or attempt to transfer an interest in or control over such claim payment to a third party has effectively been terminated.

23. **Authorization**. By the execution of this Agreement, the undersigned individuals warrant that they have been authorized by all requisite governance action to enter into and to perform the terms and conditions of this Agreement and that the Fund Member authorizes the Program Coordinator or Chief Executive Officer to approve and bind the Fund Member to any current or future CCS entered into under this Agreement

24. **Notice**. Unless expressly stated otherwise in this Agreement, any notice required or provided under this Agreement by either party to the other party shall be in writing and shall be sent by first class mail, postage prepaid or by a carrier for overnight service or by electronic means typically used in commerce. Notice to the Fund shall be sufficient if made or addressed as follows: TASB Risk Management Fund, P.O. Box 301, Austin, Texas 78767-0301, or tasbrmf@tasbrmf.org. The Fund's required notice address may be updated through explicit written or electronic notice to Fund Members. Notice to a Fund Member shall be sufficient if addressed to the Program Coordinator or Fund Member's Chief Executive Officer and mailed to Fund Member's physical or electronic address of record on file with the Fund.

25. **Miscellaneous.** These provisions apply throughout this Agreement:

    a. **Fund reference.** Any reference to the Fund in this Agreement includes reference to its designees.

    b. **CCS reference.** References to a Contribution and Coverage Summary (CCS) includes a reference to all separate coverage portions of a CCS and/or any similar service agreement between the Fund and a Fund Member.

    c. **"Including."** Unless the context requires otherwise, the term "including" means "including but not limited to."

    d. **Successors.** This Agreement binds and inures to the benefit of the parties and their successors.

    e. **Headings.** The headings are for convenience only and do not affect the interpretation of this Agreement.

26. **Signatures/Counterparts**. The failure of a party to provide an original, manually executed signature to the other party shall not affect the validity or enforceability of this Agreement. Either party may rely upon a facsimile or imaged signature as if it were an original. This Agreement may be executed in several separate counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

WHEREFORE, the parties agree to be bound by this Agreement by signing below.

THE STATE OF TEXAS §
§
COUNTY OF HARRIS §

This Interlocal Agreement is made by and between **Harris County, Texas,** a body corporate and politic under the laws of the State of Texas ("Harris County" or "County") by and through Harris County Public Health and **Cypress-Fairbanks ISD** (the "School"), pursuant to the Interlocal Cooperation Act, Tex. Gov't Code Ann. §§ 791.001 – 791.030. The County and School are referred to collectively as the "Parties" or individually as a "Party."

RECITALS

On January 31, 2020, the Secretary of Health and Human Services ("HHS") declared a public health emergency in the United States in response to COVID-19, which has now been extended through January 2022; and

On March 11, 2020, a Declaration of Local Disaster for Public Health Emergency was issued to enable Harris County to take measures to reduce the possibility of exposure to COVID-19 and promote the health and safety of Harris County residents; and

On March 13, 2020, a Declaration of State of Disaster was issued by Governor Abbott to take additional steps to prepare for, respond to, and mitigate the spread of COVID-19 to protect the health and welfare of Texans; and

On March 16, 2020, the County Judge of Harris County signed an Order outlining measures to protect the public and mitigate the spread of COVID-19; and

On March 20, 2020, Governor Abbott issued the first Public Health Disaster Declaration released in the State of Texas since 1901 and an Executive Order which, among other things, prohibits Texans from gathering in groups of more than ten persons; and

All Disaster Declarations issued thus far giving the County the legal authority to take certain measures to respond to the spread of COVID-19 are still in place as of the date of this Agreement; and

In or around the summer of 2021, the Centers for Disease Control and Prevention ("CDC") recognized an increased transmission of the more infectious Delta variant of COVID-19, still a predominant strain of the virus in the United States; and

In or around December of 2021, the CDC recognized transmission of the Omicron variant of COVID-19, another strain of COVID-19 that is transmitted more easily than the original COVID-19 virus variant; and

The Federal Emergency Management Agency ("FEMA") has been authorized to provide Public Assistance funding to eligible applicants for certain costs to facilitate the safe opening and operation of eligible facilities; and

FEMA issued guidance on September 8, 2021 wherein it detailed eligible safe opening and operation work, including COVID-19 diagnostic testing; and

The State of Texas and Harris County have experienced, and continues to experience, a significant surge of COVID-19 positive or presumptive-positive cases, impacting the ability of schools throughout the County to safely open and operate; and

The School acknowledges that it needs COVID-19 diagnostic tests to safely open and/or continue operating its facilities; and

The School does not have a sufficient number of COVID-19 diagnostic tests to allow the School to safely re-open and/or operate; and

In its response to the COVID-19 pandemic, the County has taken and will continue to take emergency protective measures at the direction and guidance of federal, State, and local leaders, including public health officials, to contain and combat COVID-19; and

The Parties agree that the County, as a part of its emergency protective measures, may secure COVID-19 diagnostic tests on behalf of the School to help facilitate the safe re-opening and/or continued operation of its facilities as expeditiously as possible; and

The County has executed agreements with distributors for the provision of COVID-19 at-home self-administered rapid antigen test kits, and may execute additional agreements to procure additional tests, if necessary, in order to provide tests to the School and other Harris County area schools to facilitate the safe reopening and/or operation of these facilities; and

The Parties understand that costs incurred by the County under the distributor agreements and any subsequent agreements for COVID-19 tests may be reimbursed with FEMA Public Assistance funding and/or other federal sources; and

The School agrees to provide certain documentation and information as to how its COVID-19 tests are used to facilitate the safe reopening and/or operation of its facilities in order to support eligibility of these costs; and

The Parties acknowledge that providing COVID-19 tests to schools serves a public purpose; and

The Parties acknowledge that payments, if any, will come from current revenues available to the paying Party; and

NOW, THEREFORE in consideration of the premises and the mutual covenants herein contained, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree the following provisions are hereby incorporated into the Agreement:

TERMS

Scope of Work

A) The County, in its sole discretion, will provide COVID-19 tests, through its agreements with distributors of COVID-19 at home self-administered rapid antigen test kits and any subsequent agreement executed for the same purpose, to the School to facilitate a safe reopening of the School to ensure continued education of School students, provided that School demonstrates appropriate need for COVID-19 tests and complies with the terms of this Agreement.

B) By entering into this Agreement, School acknowledges that it does not have a sufficient number of COVID-19 testing kits to allow for the safe reopening and/or operation of its facilities and therefore requires COVID-19 tests procured by the County as contemplated in this Agreement.

Eligibility

A) The School must, at a minimum, meet the following criteria to receive COVID-19 tests from the County:

(1) The School does not have sufficient number of COVID-19 tests to facilitate the safe reopening and/or operation of its facilities;

(2) The School shall provide COVID-19 tests to students, teachers, staff members, or any other individual that must enter the School premises as appropriate to ensure the safe reopening and/or operation of its facilities, as determined by the School in its discretion; and

(3) The School has adequate policies and procedures in place to maintain the necessary documentation as detailed in this Agreement.

School's Responsibilities

A) The School agrees that it will provide COVID-19 tests to essential personnel, students, scheduled visitors, or any other individuals it deems appropriate to provide COVID-19 tests to facilitate the safe reopening and/or operation of its facilities, as determined by the School in its discretion.

B) The School maintains policies, procedures, and appropriate governing mechanisms to ensure that COVID-19 tests are provided only to those individuals needed to safely reopen and/or operate the School, as determined in its sole discretion.

C) The School maintains policies and procedures that allow for the collection of COVID-19 tests results and mechanisms to ensure that individuals that test positive for COVID-19 are required to isolate or perform any other action in accordance with guidelines in place at the time of the positive test, including CDC guidelines and guidance issued by the Texas Education Agency.

Process

A) The School will submit to the County a request for COVID-19 tests, including number of tests required and justification for same, and detail of the circumstances that prevented the School from procuring the tests on its own volition.

B) The County will evaluate the School's request and, in its own discretion and based on the number of available COVID-19 tests and the number of Harris County area schools requesting COVID-19 tests, will determine the number of tests it will provide to the School, if any.

C) The Parties acknowledge that the County's provision of COVID-19 tests is conditioned upon its ability to procure tests from outside vendors. The County will not be held liable if it is unable to provide COVID-19 tests in response to the School's request.

Reporting

A) The School shall submit to the County the required reports and supporting documents, as outlined below, necessary to satisfy FEMA eligibility requirements.

B) The School agrees to maintain and provide to the County documentation evidencing use of COVID-19 tests to facilitate a safe reopening and/or operation of School facilities.

(1) School shall provide to the County documentation evidencing daily and/or weekly use of COVID-19 tests, including number of tests administered and number of positive cases, or otherwise report this data in accordance with School policies and procedures already in place.

(2) The above information shall be provided to FEMA and the Texas Division of Emergency Management ("TDEM"), as requested.

(3) The Parties agree that pursuant to FEMA Policy FP 104-010-04(D)(4)(c), the records will not contain, and FEMA will not be provided with, any personally identifiable information ("PII") protected from disclosure under federal or State law.

C) The School acknowledges and agrees that documentation described herein that is submitted to the County will undergo review by TDEM and/or FEMA.

Contract Term

A) The initial term of this Agreement shall begin upon execution by all Parties and will remain in full force for a period of six months from the execution date unless earlier terminated in accordance with the terms of the Agreement. At the County's sole

option, the Agreement may be renewed on the same terms and conditions for additional one-week periods (each a renewal term).

B) While this Agreement is in place, the County will endeavor to provide COVID-19 tests, pending availability, to the School until the parties agree that tests are no longer needed to ensure the safe opening and/or continued operation of the School.

C) Notwithstanding the foregoing, this Agreement will automatically terminate if and when the County's Agreement(s) with providers of COVID-19 tests expires or is terminated, unless otherwise indicated by the County.

D) The County, after consultation with the School, reserves the right to scale back the provision of COVID-19 tests to the School, as determined by the County in its discretion.

E) The County will endeavor, but does not guarantee, to give the School no less than forty-eight (48) hours' notice of its intent to scale down the provision of COVID-19 tests to the School.

County's Responsibilities

A) The County shall determine whether the School will be provided 100% of the requested COVID-19 tests based upon the School's demonstrated need and availability of tests.

B) During the term (including any renewal terms) of this Agreement, the County and School shall discuss the progress and results of the contractual arrangement between the Parties, including a discussion of ongoing plans to continue administering COVID-19 tests to ensure the safe reopening and/or continued operation of the School and its facilities.

C) The County shall review and analyze School's compliance with the requirements of this Agreement and FEMA guidelines.

Payment Terms

A) The Parties acknowledge and agree that there will not be any reimbursement or payment by the County or FEMA to the School under this Agreement.

B) The Parties similarly agree that the School is not obligated to provide compensation or reimbursement to the County for the provision of COVID-19 tests.

C) The Parties acknowledge and agree that FEMA funding may be used by the County for the provision of COVID-19 tests under this Agreement and, as a result, the County is required to comply with certain FEMA guidelines. The School acknowledges and agrees to assist the County in complying with such FEMA guidelines, including but not limited to, submitting to the County all required reports and supporting documents as set forth in this Agreement.

D) The School acknowledges that FEMA is legally prohibited from duplicating benefits from other sources. The School acknowledges and agrees that it is expressly prohibited from seeking funding from FEMA or other sources for the costs being incurred by the County under this Agreement.

E) To the extent applicable, the School agrees that the responsibility for payment of any taxes from the benefits received under this Agreement and/or legislative appropriation, if any, shall be the sole obligation of the School.

Termination

A) The County may terminate this Agreement at any time without cause by providing three (3) calendar days' prior written notice to the School. The County may terminate this Agreement for cause effective upon written notice to the School if it fails to perform any of its material duties under this Agreement. If not already expired or terminated, this Agreement will automatically terminate upon the termination of the HHS COVID-19 Public Health Emergency Declaration.

B) The School reserves the right to terminate this Agreement at any time without cause by providing three (3) calendar days' prior written notice to the County. The School must still perform its duties under this Agreement for COVID-19 tests received while the Agreement was still in effect, regardless if the School terminates the Agreement afterward.

C) The School may, without terminating the Agreement, request that the County scale down its provision of COVID-19 tests depending on the School's needs. Nothing in this provision prohibits the School from requesting that the County provide additional COVID-19 tests if the School later determines that additional tests are required to safely operate its facilities.

Limitation of Appropriation

A) The School understands and agrees, said understanding and agreement also being the absolute essence of this Agreement, that the County is not appropriating any funds under this Agreement.

Liability of the Parties

A) To the extent allowed by law, each Party shall be responsible for all claims and liability due to the activities of the Party's employees, officials, agents, or subcontractors arising out of or under this Agreement and which result from any act, error, omission, intentional tort, intellectual property infringement, or failure to pay committed by the Party or its employees, officials, agents, consultants under contract, or any other entity over which it exercises control, to the extent permitted by law.

Miscellaneous

A) Non-Assignability. The Parties bind themselves and their successors, executors, administrators, and assigns to the other Party of this Agreement and to the successors, executors, administrators, and assigns of such other Party, in respect to all covenants of this Agreement. Neither the County nor the School shall assign, sublet, or transfer its interest in this Agreement without the prior written consent of the other Party, which consent will not be unreasonably withheld.

B) Notice. Any notice required to be given under this Agreement ("Notice") shall be in writing and shall be duly served when it shall have been personally delivered to the address below, deposited, enclosed in a wrapper with the proper postage prepaid thereon, and duly registered or certified, return receipt requested, in a United States Post Office, addressed to County or the School at the following addresses:

Each Party shall have the right to change its respective address by giving at least fifteen (15) calendar days' written notice of such change to the other Party.

Other communications, except for Notices required under this Agreement, may be sent by electronic means or in the same manner as Notices described herein.

C) Independent Parties. It is expressly understood and agreed by the Parties that nothing contained in this Agreement shall be construed to constitute or create a joint venture, partnership, association or other affiliation or like relationship between the Parties, it being specifically agreed that their relationship is and shall remain that of independent parties to a contractual relationship as set forth in this Agreement. The County is an independent contractor and neither it, nor its employees or agents shall be considered to be an employee, agent, partner, or representative of the School for any purpose. Neither the School, nor its employees, officers, or agents shall be considered to be employees, agents, partners or representatives of the County for any purposes. Neither Party has the authority to bind the other Party.

D) No Third Party Beneficiaries. This Agreement shall be for the sole and exclusive benefit of the Parties and their legal successors and assigns. Nothing in the Agreement is intended or shall be deemed or construed to create any additional rights or remedies upon any third party. Further, nothing contained in the Agreement shall be construed to or operate in any manner whatsoever to increase the rights

of any third party, or the duties or responsibilities of the County with respect to any third party.

E) Waiver of Breach. No waiver or waivers of any breach or default (or any breaches or defaults) by either Party hereto of any term, covenant, condition, or liability hereunder, or the performance by either Party of any obligation hereunder, shall be deemed or construed to be a waiver of subsequent breaches or defaults of any kind, under any circumstances.

F) No Personal Liability; No Waiver of Immunity.

(1) Nothing in the Agreement is construed as creating any personal liability on the part of any officer, director, employee, or agent of any public body that may be a Party to the Agreement, and the Parties expressly agree that the execution of the Agreement does not create any personal liability on the part of any officer, director, employee, or agent of the County.

(2) The Parties agree that no provision of this Agreement extends the County's liability beyond the liability provided in the Texas Constitution and the laws of the State of Texas.

(3) Neither the execution of this Agreement nor any other conduct of either Party relating to this Agreement shall be considered a waiver by the County of any right, defense, or immunity on behalf of itself, its employees or agents under the Texas Constitution or the laws of the State of Texas.

G) Anti-Boycott. The School warrants and represents, in accordance with Tex. APPENDIX A – FEMA REQUIRED PROVISIONS

The federal procurement standards for applicants such as the County are described in Title 2 of the Code of Federal Regulations (C.F.R.), Part 200, sections 200.317-200.327. One such requirement is that the non-federal entity's contracts must contain the applicable provisions described in Appendix II to this part and laid out below. Accordingly, the School agrees to comply with the below provisions to the extent applicable to this Agreement.

A. **FEMA Funding**

The School acknowledges that FEMA financial assistance will be used to fund all or a portion of the Agreement.

B. **Compliance with Federal Law, Regulations, and Executive Orders**

The School shall comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

C. **No Obligation by Federal Government**

The School acknowledges that the Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the County, School, or any other party pertaining to any matter resulting from this Agreement.

D. **Program Fraud and False or Fraudulent Statements**

The School acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to School's actions pertaining to this Agreement.

E. **DHS Seal, Logo, and Flags**

The School shall not use the Department of Homeland Security ("DHS") seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

F. **Access to Records**

In addition to any record requirements found in the Agreement, the following access to records requirements also apply to the Agreement:

1. The School agrees to provide the County, the FEMA Administrator, TDEM, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of School which are directly pertinent to the Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. School shall keep its books, documents, papers, and records available for this purpose for at least five years after the Agreement terminates or expires. This provision does not limit the applicable statute of limitations.
2. The School agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

3. The School agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under this Agreement, if applicable.
4. In compliance with the Disaster Recovery Act of 2018, the County and the School acknowledge and agree that no language in the Agreement is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

G. **Environmental Compliance**

1. The School shall comply with all applicable standards, ordered, or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251 et seq.).
2. The School shall report all violations to the County, and understands and agrees that the County will, in turn, report each violation as required to assure notification to FEMA and the appropriate Environmental Protection Agency Regional Office.
3. The School shall include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

H. **Contract Work Hours and Safety Standards Act**

All contracts entered into related to this Agreement shall contain the following language:

1. Overtime requirements. No contractor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
2. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section School and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, School and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
3. Withholding for unpaid wages and liquidated damages. FEMA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by School or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject

to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (B) of this section.

4. Subcontracts. The School or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

I. **Equal Employment Opportunity**

During the performance of this contract, the School agrees as follows:

1. The School will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. School will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. School agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The School will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The School will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The School will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. The School will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The School will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the School's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, the Agreement may be canceled, terminated, or suspended in whole or in part and the School may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The School will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or School. School will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

   Provided, however, that in the event the School becomes involved in, or is threatened with, litigation with a subcontractor or the School as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

9. The County further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the County is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.
10. The County agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

11. The County further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the County agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the County under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

J. **Suspension and Debarment**

1. Federal regulations restrict the County from contracting with parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities, where the contract is funded in whole or in part with federal funds. Accordingly, a contract or subcontract must not be made with any parties listed on the SAM Exclusions list. SAM Exclusions is the list maintained by the General Services Administration that contains the name of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under certain statutory or regulatory authority. School can verify its status and the status of its principals, affiliates, and subcontractors at www.SAM.gov.
2. This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, School is required to verify that it, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are not excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
3. The School must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
4. This certification, found in **Exhibit A**, is a material representation of fact relied upon by the County. If it is later determined that the School did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to TDEM and the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
5. The School agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of this Agreement. School further agrees to include a provision requiring such compliance in its lower tier covered transactions.

K. **Byrd Anti-Lobbying Amendment**

1. Contractors who apply or bid for an award of $100,000 or more shall file the required certification as set out in **Exhibit B** of this Appendix. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

L. **Contracting with Small and Minority Businesses, Women's Business Enterprises, and Labor Surplus Area Firms**

1. If the School intends to subcontract any portion of the work covered by this Agreement, it must take all necessary affirmative steps to assure that small and minority businesses, women's business enterprises and labor surplus area firms are solicited and used when possible. Affirmative steps must include:
    a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
    b. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
    c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
    d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
    e. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

M. **Domestic Preference Requirements**

1. As appropriate and to the extent consistent with law, the School should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this paragraph must be included in all subcontracts and purchase orders for work or products under this Agreement. For purposes of this paragraph:
    a. ''Produced in the United States'' means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. If any work performed and/or goods delivered by the School fails to meet the requirements of the Agreement, any other applicable standards, codes, or laws, or otherwise breaches the terms of the Agreement, the County may in its sole discretion:
   a. elect to have the School re-perform or cause to be re-performed, at School's sole expense, any of the work which failed to meet the requirements of the Agreement;
   b. in the case of goods, reject the goods and require School to provide replacement goods that meet the needs of the County and the terms of the Agreement;
   c. hire another contractor to perform the work and deduct any additional costs incurred by the County as a result of substituting contractors from any amounts due to School; or
   d. pursue and obtain any and all other available legal or equitable remedies.
3. The remedies in this Section are in addition to any remedies set out in the Agreement. This Section shall in no way be interpreted to limit the County's right to pursue and obtain any and all other available legal or equitable remedies against School.

From: Roy Garcia

Date: March 2022

Re: Memorandum of Understandings

The attached documentation is intended to provide information and explanation for considering the approval of a Memorandum of Understanding for one of the district's university partners: Abilene Christian University (ACU).

Because the underlying agreement may or may not be legally binding and enforceable in and of itself, a Memorandum of Understanding (MOU) may or may not constitute a contract. Although it is generally considered a less formal way of evidencing an agreement and is ordinarily used in state government only between or among state agencies or other government entities, the agreement requires Board approval. The term is used interchangeably with "memorandum of agreement."

SUPERINTENDENT'S BRIEFING
April 11, 2022

1. **Fun Run**

   The ninth annual Superintendent's Fun Run took place this past Saturday, April 9 at the Berry Center. It was great to see the entire community gather back in-person. We presented a check worth **$125,000** to the Cy-Fair Educational Foundation that will benefit scholarships for our graduating seniors. Thank you so much to our sponsors and participants for helping "fund the future" for our graduates! Please enjoy this brief recap video from the event.

2. **Pass in Review**

   The 18th Annual **CFISD AFJROTC "Pass in Review" ceremony** returned on March 26 at Cy-Fair FCU Stadium. The Pass in Review is a military tradition designed to display the readiness of troops and their units to a newly assigned commander. More than 1,000 cadets representing our 12 high schools and 9 JROTC units participated, and **Cypress Ridge High School Unit TX-20028** was the host unit.

3. **Career Fair**

   The CFISD Career Fair is scheduled for **April 28** from **4:30-6:30 p.m.** at the **Berry Center**, an opportunity for job seekers to meet & greet campus and department leaders in one convenient location. Please watch this brief video featuring a testimonial from a current teacher who once visited the Career Fair.

4. **CFPD**

   The CFISD Police Department is hosting an **open house** for the public on April 18 from 9-11 a.m. at the department headquarters on Telge Road, celebrating 10 years of the department's existence.

   The CFPD is also accepting applications for the Junior Police Academy, which returns this summer with two sessions open to students ages 9-11 who are interested in learning more about local law enforcement. Learn more and register on the CFISD website.

5. **Student holidays**

   A reminder that this **Friday, April 15**, will be a student and staff holiday, and that **Monday, April 18**, will be a teacher work-day and student holiday. Enjoy the long weekend and we look forward to seeing you back safely on April 19.
