

**Debt Management**

The Superintendent or designee shall develop administrative regulations to address the District's debt management. The regulations shall establish well-defined guidelines for the issuance and management of debt that is payable from the interest and sinking fund.

The Superintendent shall recommend to the Board for its approval all proposed bond sales.

Debt management procedures shall incorporate prudent debt management practices that:

1. Maintain the District's financial stability;
2. Provide debt management flexibility;
3. Match debt to the estimated useful lives of the assets purchased with the corresponding debt;
4. Preserve public trust;
5. Minimize cost to taxpayers;
6. Preserve access to capital markets; and
7. Demonstrate administrative oversight of debt programs to credit rating agencies and taxpayers.

**Guidelines**

Debt management procedures shall include guidelines for the use, management, and issuance of debt obligations including, but not limited to:

1. Allowable purposes for the issuance of debt;
2. Repayment of debt obligations;
3. Composition of debt portfolio;
4. Refunding debt obligations;
5. Parameter debt sales;
6. Methods of sale the District may use;
7. Credit ratings and the use of credit enhancement;
8. Selection of consultants, underwriters, and remarketing agents;
9. Investment of debt proceeds;
10. Compliance with federal arbitrage rebate regulations; and
11. Compliance with continuing disclosure requirements.
