K-12 Market

In 1997 the Texas median school cost was:

Elementary School	\$69.80 per s.f.
Middle School	\$73.60 per s.f.
High School	\$77.20 per s.f.

In 2001 the Texas median school had yet to break the \$100.00 per s.f. barrier.

As of January 2007 the median price of a Texas school cost is:

Elementary School	\$141.00 per s.f.
Middle School	\$152.00 per s.f.
High School	\$158.00 per s.f.

**Cypress-Fairbanks ISD Schools are
well under the median**
