

**YOUTH SERVICE SPECIALIST ASSIGNMENTS BY CAMPUS
2009-2010**

Youth Service Specialists (YSS) provide crisis counseling to children and parents selected from referrals by district counselors/administrators, teachers, parents/students, and social service agencies. They also provide information on district and county resources that are available to students and families. Since YSS work closely with CFISD counselors, students and parents may also contact their school counselor to request assistance or questions on resources.
