Qualifications: Our belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason we are offering a scholarship that will be awarded on the basis of character, as determined by evaluated the essays that are submitted.

Scholarships are intended for our future leaders across a wide spectrum of fields of study. This award is available to high school seniors and all students attending a post secondary educational facility. You are not required to be taking Engineering courses to be eligible.

Other Documents Needed: Students must submit an essay of no more than 1000 words in answer to the question below:

What impact will the Natural Disasters of 2010 have on the global economy? How should these events affect future political, business and personal decisions?

There is no application packet for this award. Please do not include your resume at this time. Be sure to include your full name as well as the name of the school you are attending in 2010/11 and your plans for 2011/12.
