Qualifications: Scholarship and fellowship recipients generally score in the top ranges on the SATs or ACTs. Most are in the top 10 percent of their classes in high school and have followed an extremely rigorous curriculum. Each scholarship or fellowship has a slightly different application procedure. All require each candidate to submit an application for freshman admission to Washington University. If you wish to apply for one or more of the scholarships or fellowships listed, send each completed application to the appropriate address at Washington University.
