

# MARK YOUR CALENDARS!

Join the Women's Energy Network for our 6th Annual

## Young Women *Energized*

Thinking of your future? Young Women Energized (YWE) is a mentoring event designed exclusively for high school girls! Learn about exciting careers open to you in the energy industry and network with industry professionals from a variety of companies and disciplines. Parents are welcome and will have the opportunity to learn more about university programs and scholarships.

Wednesday  
November 4, 2009  
4:30 – 8:30 p.m.

United Way Community Resource Center  
50 Waugh Drive  
Houston, TX 77007
