

OVERVIEW OF SCIENCE SKILLS

FIRST GRADE

UNIT CONCEPT - TEKS OBJECTIVE	RESOURCES
Part 1	Science Process Grade One Kit
Safety and Scientific Process Skills Characteristics of Living and Nonliving Plants <ul style="list-style-type: none"> ∅ Parts of Plants ∅ Needs of Plants ∅ Growth of Plants 	Solids and Liquids Kit Arachnophilia Kit Under Cover Lab
Part 2	Curriculum Guide
Animals <ul style="list-style-type: none"> ∅ Characteristics and Needs of Animals ∅ Insects and Spiders ∅ Life Cycles – Chick Eggs ∅ Gulf Mysteries 	Science Resource Center Textbook and Supplemental Materials
Part 3	Instant Reader Computer Program
Measurement Rocks and Soil <ul style="list-style-type: none"> ∅ Properties of Rocks ∅ Identify and Classify Rock Samples ∅ Identify and Classify Soil Samples 	Optical Data
Part 4	Benchmark Tests
Weather <ul style="list-style-type: none"> ∅ Temperature ∅ Seasons ∅ Affect of Weather on Health ∅ Types of Weather 	Field Trip – Gulf Mysteries Big Event – Hatching Chick Eggs
Part 5	
Solids and Liquids <ul style="list-style-type: none"> ∅ Properties of Solids and Liquids ∅ Classifying Solids and Liquids ∅ Compare and Contrast Properties of Solids and Liquids 	
Part 6	
Forces <ul style="list-style-type: none"> ∅ Pushes and Pulls ∅ Friction Health <ul style="list-style-type: none"> ∅ Function of Major Body Structures and Organs ∅ Spread of Germs
