TAGT Welcomes Parents, Educators of the Gifted

The Texas Association for the Gifted and Talented (TAGT) will host a free, public open house on Wednesday, December 2, from 4:00 PM to 7:00 PM, during the 2009 TAGT Professional Development Conference: Growing their Gifts. TAGT invites Houston area parents and educators to visit exhibit hall B3 the George R. Brown Convention Center, to browse among more than a hundred exhibitors/vendors, and to mingle with other parents and educators from the GT community. Parents may attend special half-hour sessions at no charge. There is no pre-registration, but attendees will need to sign a guest register and receive a visitor name badge. The event is a unique opportunity to become acquainted with our exhibitors, their products and services, and the professionals dedicated to meeting the unique needs of gifted and talented students. For more information, contact TAGT at (512) 499-8248, or on the web at www.txgifted.org.
