

# HORIZONS Parent Communication Network 2008-2009

In order to build an effective communication network between the HORIZONS Department and parents of HORIZONS students, we would like to build an email address data base. This data base would be used by the HORIZONS Department only to send in a blind copied email the following information:

- Invitations to parents/students about upcoming events appropriate for HORIZONS parents/students. (ie HORIZONS Summer Camp Exposition, HORIZONS Showcase)
- HORIZONS newsletters
- Surveys/questionnaire regarding the HORIZONS program
- Information from HORIZONS Parent Advisory Committee (PAC) meetings

The use of this format would allow us to build a more effective communication system with our HORIZONS parents. Those parents not participating in this system may refer to the HORIZONS website to receive information about the HORIZONS program. Please complete the following information and return to [Carla.butler@cfisd.net](mailto:Carla.butler@cfisd.net) or via postal mail Attention: Carla Butler, 10300 Jones Road, Houston, TX 77065. If participating, please notify the HORIZONS Department when information changes.
