

The Cypress-Fairbanks Independent School District (CFISD) is pleased to provide you with access to records of your child's grades (grades 02 thru 12 only), attendance and assignment information via the internet. This service is being made available through the district's Parent Internet Viewer (PIV) and can be accessed at any time. The PIV is a secure system and requires that you have a confidential Login ID and password for each of your children. We have provided this information as well as directions and suggestions below.

Thank you for your participation in the PIV program and for your active involvement in your child's education.
