

**Leadership Cy-Fair  
Questions from December 7, 2009**

**Q. How much does CFISD spend in total on letter jackets including drill team, choir, athletics and whoever else gets them?**

**A.** The expenditures in the 2008-09 operating budget for letter jackets was \$136,258.22. The district purchases a blank letter jacket for the student with the letter of the activity that he/she qualified in. The student then has the option of personalizing the jacket with additional patches (which most students do) **at the student's expense.**
