

Continuing Teacher Education

3 Graduate Credits in 3 Weeks

About GCU

Founded in 1949, Grand Canyon University has been helping teachers find their purpose and achieve their potential for more than 60 years. Earning a degree from GCU's College of Education provides the essential knowledge and in-demand skills for today's most diverse classrooms. Our degree programs reflect national standards which are embedded throughout the education curriculum in order to produce experts in the field of education. For more information, visit www.gcu.edu

Graduate credit tuition is
\$150 per credit

Recertification? Endorsement? A refresher for your leadership or classroom management skills? Grand Canyon University provides convenient continuing education courses in high-demand subject areas.

Need additional credits in education or your core subject area? All master's level courses from our degree programs are available to take individually.
