Program Overview

The REEP Summer Institute provides a unique leadership development program for campus leaders and education entrepreneurs that is held over a 2 ½ week period in July at the Jones Graduate School of Business at Rice University. The Institute focuses on innovation and problem solving and is taught by nationally recognized education leaders and Jones Graduate School of Business faculty.

Benefits of Summer Institute:

- Build skills
- Explore possibilities for education reform
- Make connections
- Immerse yourself in Houston's/Rice's vibrant reform community
- Access to top tier faculty
- Gain and apply skills to the school environment
- Summer commitment only
- Available to those not enrolled in REEP MBA or Certificate programs

Curriculum

Past courses have included:

- Budgets and Decision Making
- Building the Organization and Managing People
- Business in Schools and Understanding the System
- Data Management
- History and Future of the Education Landscape
- History of Education Reform
- Innovation Outside and Inside of Districts
- Leading Change in the Schools
- Legal Realities Within a School
- Managing People
- Past, Present, and Future of the Education Landscape
- Power and Influence
- Problem Solving
- The Power of Teams
