At Healthcare Administration Degree Programs, we’re committed to helping students fulfill their leadership goals by earning undergraduate and graduate degrees in healthcare administration. Since we believe that no promising healthcare managers should be held back due to finances alone, we’ve decided to create a $1,500 scholarship program. Twice each year, we’ll accept applications from students pursuing bachelor’s or master’s degrees in healthcare administration and management. Our mission is to greatly lower the out-of-pocket educational expenses owed by future healthcare administrators.
