

Message from the Superintendent

Cypress-Fairbanks Independent School District

August 2, 2006

Dear Key Communicator:

The Texas Education Agency (TEA) has posted campus and district accountability ratings on its website: <http://www.tea.state.tx.us/perfreport/account/>. Cypress-Fairbanks ISD received an "Academically Acceptable" rating for 2006.

Under the TEA Academic Excellence Indicator System (AEIS), all public schools are evaluated by factors specific to their student populations. TEA issues ratings annually for each public school within the state by calculating the performance of the campus and district on many different indicators. The ratings are based on the lowest value of any one of the qualifying indicators. For example, the district/campus may have exemplary values for all indicators except one indicator and that one has an "academically acceptable" value. Based on that one indicator, the rating for the entire district/campus would be "academically acceptable."

Sixty-three schools received ratings in 2006. We had a net increase of two more exemplary schools and three more schools with recognized ratings as compared to last year's ratings. Overall, CFISD tested 51,731 students in 2005-2006, of which 7,510 were not in the district the year before. As a result, six campuses are exemplary, 26 are recognized, and 31 are academically acceptable in the 2006. Individual ratings are attached.

Sincerely,
David Anthony, Ed.D.
Superintendent of Schools
