

September 11, 2008

Dear Key Communicator:

So that parents and staff may prepare for the inclement weather predicted for the landfall of Hurricane Ike, **all schools and district facilities will be closed after school today and on Friday, September 12.**

All extracurricular and after-school activities as well as workshops and events have been canceled as of the end of school today.

Please monitor the website at www.cfisd.net, CFTV Comcast Cable Channel 16 and local radio and television stations for updates.

David Anthony
