

CFISD closed Monday through Wednesday

September 14, 2008—Due to wind and water damage caused by Hurricane Ike, **all schools and facilities will be closed for three days, Monday, Sept. 15, through Wednesday, Sept. 17.**

The district is continuing to assess damage and may need to extend school closings beyond Wednesday as a result.

Parents are urged to monitor the district website at www.cfisd.net and television and radio stations for updated information.
