

CALENDAR

continued from page 1

In the fall of 2007, the calendar committee was organized with broad-based representation, including teachers, parents, campus administrators, paraprofessionals, ancillary personnel and district-level administrators.

In October, parents, community members, teachers, administrators and support staff completed an online survey designed to measure opinions regarding the 2008-2009 instructional calendar.

As a result, the calendar committee devised its recommendation and

presented it to the Board on Nov. 12. The Board unanimously approved the 2008-2009 school calendar.

NOTE: *HB1 mandated that instruction for the school year may not begin before the fourth week in August. For the 2008-2009 instructional year, the earliest start date would be Aug. 25.*
