Classification & Graduation Requirements

11th Grade Classification Standards

1. 2 years of attendance
2. 11 Credits, including **English 1 & Algebra 1**

Remember – there is no promotion in high school; if you do not meet the above requirements you will be re-classed as a 10th grader again next year.

Other Learning Opportunities –

How to make-up credit or gain additional credits

1. Summer school – Information will be available in April
2. Correspondence Courses/Texas Virtual Network Online courses (2 credits only)
3. Credit by Exams

Graduation Requirements

- ✓ Must have **26 credits** for the Foundation HS Plan with an endorsement.
- ✓ Must pass **5 STAAR EOC** tests to graduate:
 - English I, Algebra I, Biology, English II, and US History
- ✓ Excessive Absences (EAs) cause **loss of credit** for a course; see your AP about EAs
 - EAs will cause a student not to be classified as a junior.
 - EAs calculate into your GPA as a failing grade and zero GPA points.
 - **Students cannot get VOE forms if they have EAs.**

Foundation with Endorsement

English – English I, English II, English III + 4 th English credit	4 Credits
Math – Algebra I, Geometry + 2 Advanced Math (Alg 2 required for some)	4 Credits
Science – Biology + IPC/Chem/Physics + 2 Advanced Sciences	4 Credits
Social Studies – W.Geog or W.Hist + US History + Govt & Econ	3 Credits
Health	½ Credit
PACE – 9 th Grade Year	½ Credit
PE	1 Credit
Language Other Than English – LOTE 1 + LOTE 2 (2 years of the same language)	2 Credits
Fine Arts	1 Credit
Electives	6 Credits
TOTAL STATE CREDITS	26

*A student who struggled to complete the first credit of foreign language and is unlikely to complete the second credit successfully may, with approval from an appointed committee, substitute another course from a state-mandated list.

This MAY NOT be an appropriate choice for university bound students.

Foundation High School Program

English – English I, English II, English III + 4 th English credit	4 Credits
Math – Algebra I, Geometry, + additional math credit	3 Credits
Science – Biology + IPC/Chem/Physics + additional science credit	3 Credits
Social Studies – W.Geog or W.Hist + US History, + Govt & Econ	3 Credits
Health	½ Credit
PACE – 9 th Grade Year	½ Credit
PE	1 Credit
Language Other Than English–LOTE 1 + LOTE 2 (2 years of the same language)	2 Credits
Fine Arts (one full course)	1 Credit
Electives	4 Credits
TOTAL STATE CREDITS	22

*A student who struggled to complete the first credit of foreign language and is unlikely to complete the second credit successfully may, with approval from an appointed committee, substitute another course from a state-mandated list.

This MAY NOT be an appropriate choice for university bound students.

Distinguished Level of Achievement

- Students who graduate in the top 10% of their class may gain automatic admission to Texas public colleges and universities. The University of Texas will be automatically accepting the top 6% of the class of 2023.
- Under the new HB 5, to be eligible for the top 10% automatic admission students must also earn the Distinguished Level of Achievement.
- The Distinguished Level of Achievement requires:
 - 4 credits in Math **including Algebra II**
 - 4 credits in Science
 - All Foundation High School Program requirements
 - At least one endorsement

The Five Endorsements

Public Services

- 2 Options: CTE and AFJROTC

Business & Industry

- 3 Options: CTE, English and Combination

Arts & Humanities

- 3 Options: Social Studies, Foreign Language and Fine Arts

STEM (Science, Technology, Engineering, Math)

- 5 Options: Computer Science, CTE, Math, Science and Combination

Multidisciplinary

- 2 Options: Four by Four and AP/Dual

Research what your college choice requirements are:

- ✓ There are over 4,000 colleges and each has certain requirements

What do most colleges want?

- ✓ A rigorous, well-rounded academic program
 - 4 credits of English, 4 credits of Math (including Algebra II), and 4 credits of Science (including Chemistry and Physics)
 - 3 – 4 credits of Social Studies
 - 2 years of the same Foreign Language (some recommend 3 years)
- ✓ Following one's passions through electives or
- ✓ Well-rounded exploration of possibilities through electives

Advanced Classes Entry/Exit Policy

- Students currently in a K-level course, who wish to remain K-level in the same subject, must earn a 75 or higher 2nd semester in that course.
- Students currently in an L-level course, who wish to advance into K-level in the same subject, must earn a yearly average of 85 or higher in that course or have scored a Level III on the EOC.
- All students must have parent permission (signature) to take advanced courses.
- If a student earns a C- at the semester or an F at any grading period, the student is removed from the K-level course and placed in the appropriate L-level course if there is one available.

Interested in taking Dual Credit Classes your Junior Year?

- Dual Credit registration information is available on the Cypress Ranch website.
- Please contact your Dual Credit counselor:

College Academy Students

Experiencing College Before College

The deadline for 2023-24 dual credit registration is April 28th

10th grade College Academy

Write "CA" in the top right corner of your registration form – above your Counselor's name.

Register for the following DC courses:

English: English III DC

Math: College Algebra DC **OR**

Pre-Cal DC

Science: Biology DC **AND/OR**

Chemistry DC **AND/OR**

Physics DC

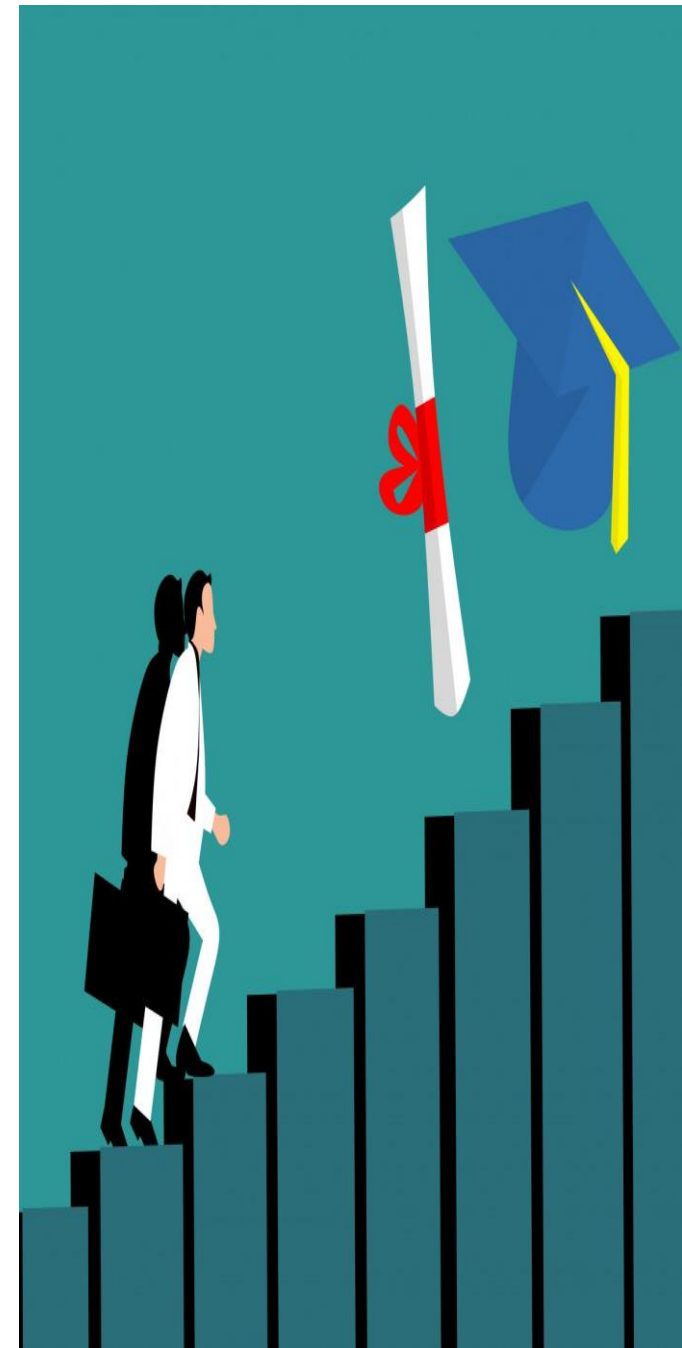

Electives: Choose 2 of these 3 semester electives -

Art History DC (Pre-Req: HS Fine Art)

Psychology DC

Speech DC

If you have questions specific to College Academy, please make an appointment to see Mrs. Marks using the QR code

Fill out form
completely and legibly

CYPRESS RANCH HIGH SCHOOL

2022-2023 10th to 11th Grade Registration Form

Name: _____ ID#: _____ Phone: _____ Counselor: _____

CA

Write "CA" in top right corner if College Academy

We need reliable contact information
for the summer months!

Choose your endorsement(s) and graduation intent

These may be changed, added to, or dropped through conferences with your counselor throughout your student's high school career.

The endorsement(s) towards which I am working:

Multidisciplinary

STEM

Arts & Humanities

Business and Industry

Public Services

Choose your core courses and levels

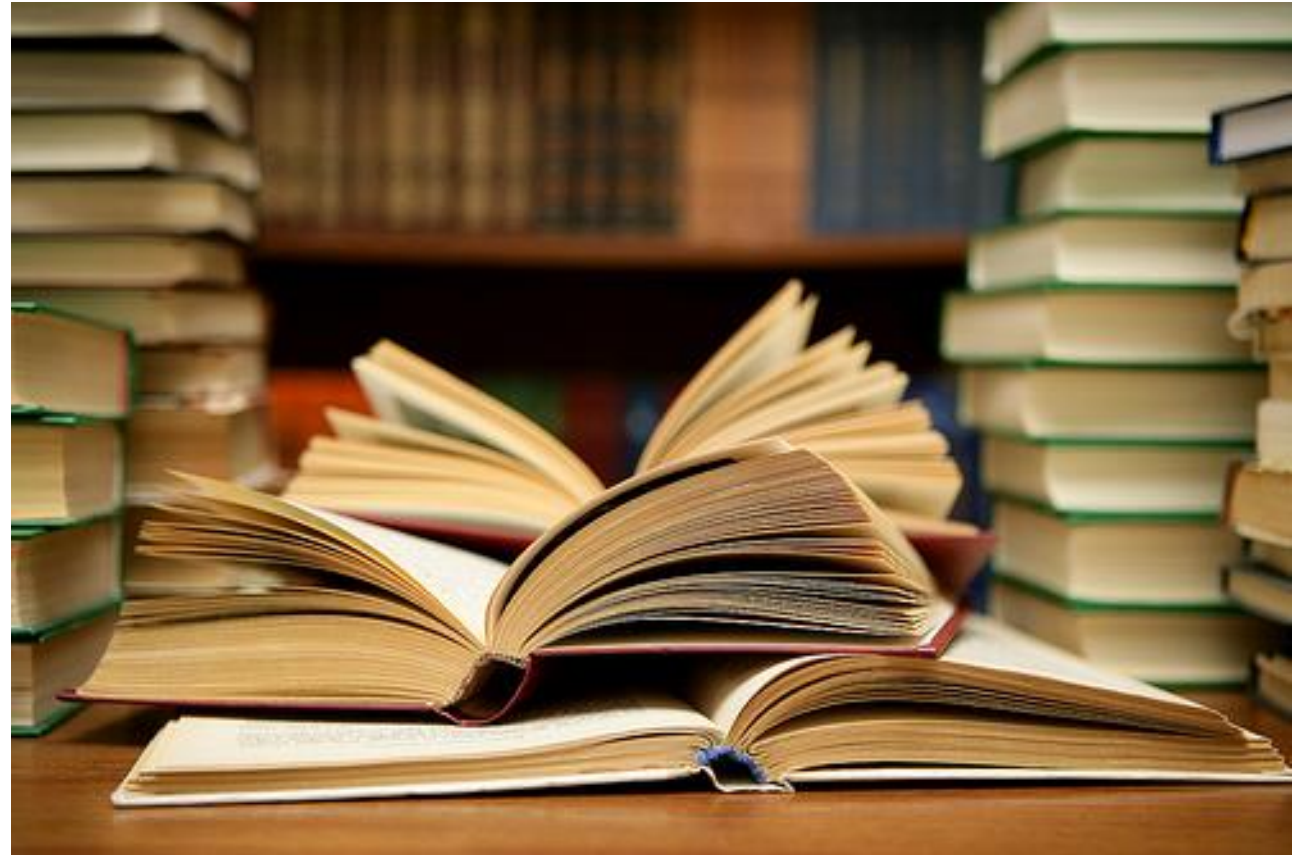

- **Please make your course selections carefully.** All students in 11th grade must take seven (7) credits. Levels are determined by performance in current 10th grade courses. Students select courses for the next school year during the current spring semester. A decision of this nature should be given thorough consideration with parental aid.
- **All requests for changes must be submitted in writing by April 28, 2023.** Staffing decisions are made for the 2023-2024 school year based upon the number of students registered for each course; therefore, course changes will not be made at the beginning of the school year.
- **If you would like a course in red, please write it in on your registration form.**

* DC courses require a separate registration with DC counselor							
1. English:	English III	L-03123	K-03013	AP-03053	*DC-03083	H/AP-03063	*H/DC-03093
2. Math:	Math Models	L-24023					
	Algebraic Reasoning	L-22223

- Advanced Plant and Soil Science K *^
- Astronomy L
- Pathophysiology K*

12th
Grade

PREREQUISITES:
* Chemistry
Physics
+ Math requirement (see course description)
^ 1 Ag credit

History Options

- U.S. History
- U.S. History K
- U.S. History AP (College Rigor Course)
- U.S. History AP/Dual Credit (College Rigor Course)

**Should a student enroll in U.S. History AP and drop the course at the end of the semester, the student will have to take both semesters of U.S. History (retake first semester). In this situation, the first semester of U.S. History AP can count as an elective.*

Other Required Credits

Have you taken a
LOTE credit?

All students **MUST** have 2 years of the same foreign language to graduate on the FHSP.

Have you taken a
PE credit and a
semester of **HEALTH**?

All students **MUST** have 1.0 credit of PE and .5 credit of HEALTH to graduate on the FHSP.

**A full year of Principles of Health Science will count as health credit.*

Have you taken a
FINE ART credit?

All students **MUST** have 1.0 credit in fine arts in order to graduate on the FHSP.

Choosing Electives

Full year courses end in a 3; semester courses end in a 0

Electives (choose courses to earn your endorsement)				
	Course Name	Course #	2nd Semester Course (if needed)	Course #
5.				
6.				
7.				
Alternative Electives				
	Course Name	Course #	Course Name	Course #
1.				
2.				

- **Choose alternate electives carefully.** Students who are placed in alternate electives due to course cancellation or scheduling conflicts will not be changed after **APRIL 28, 2023**
- **Additional Courses** –PE or equivalent, Foreign Language, Fine Arts, and Health are all required for graduation and should be considered first.

Courses Requiring Approval (DO NOT register for these courses)

- **Health Science Theory Clinicals**
- **Project-Based Courses**
- **PALS**
- **Cheer**
- **Football**
- **Boys Track**
- **Boys Baseball**
- **Boys and Girls Golf**
- **Volleyball**
- **Sports Medicine (Athletic Trainer)**
- **Dance Team**
