Enrollment Process for students NEW to Dual Credit

Note: Requirements below:

Step 1. Admissions & Pre-Advising

Complete the LSC application (Lonestar.edu/admissions) or at ApplyTexas.org

Step 2. Complete pre-assessment activity via student's LSC account.

How to create/reset your Lone Star College Password

1. Go to www.lonestar.edu
2. Click on mylonestar
3. In the top box type your LSC ID #
4. Below the bottom box, click "Forgot Password"
5. Follow the prompt to create your password
6. REMEMBER: your password cannot have your name or anyone else's name in it

After logging into your MyLoneStar account, you can access the Pre-Assessment activity within the Applicant tab and the pre-assessment link at the bottom of the blue box on the right. Pre-assessment activity must be completed in its entirety, if TSI testing is required.

Step 3. Conference with Mrs. Ticer or Dr. Hill for eligibility of dual courses and testing
