

# HOW TO TAKE ADVANTAGE OF

# TUTORING

## 1 MAKE-UP MISSED WORK

If you are absent and need to make-up missed work, tutoring is the time to do it! Ask, Schoology message, or email your teacher to sign-up to attend tutoring and complete all missing work and tests! You don't have to wait for the teacher to talk to you!

## 2 REDO LOW CLASSROOM GRADES

If you score below a 70 on a test, project, or classroom grade ask your teacher to redo it! You can attend tutoring to redo these grades and bring them up to a 70, helping improve your class average!

## 3 REVIEW PERFORMANCE ON CLASS WORK

Don't understand what you missed on the test? Not sure why your answer was wrong? Ask to attend tutoring and have the teacher go over the assignment with you!

## 4 RE-LEARN A CONCEPT

Was something new you learned this week confusing? Did you forget how to do a particular skill? Do you need the teacher to review instructions for a project? Ask your teacher to help you during tutoring!

TAKE CHARGE OF YOUR LEARNING! ASK TO ATTEND TUTORING!
