Our 8th grade Lady Mustangs were named this years undefeated zone champions!

FOOD TRUCK FUN!

The students in Ms. Dunlap's Principles of Hospitality class had a Food Truck Expo on March 1st. Students have been learning a variety of different skills and recipes throughout the year, and invited our staff to support their food truck businesses by sampling their recipes. Feedback submission boxes were made available for staff members to leave positive feedback for our students.

FAREWELL TO MR. PHAM

Earlier this month, Mr. Pham announced his plan to retire as principal of Dean Middle School at the end of June, 2024. During the last 29 years he has been in education, he has worked as a CFISD teacher, assistant principal, associate principal, and most currently, principal of Dean. During the next few weeks our district leaders will begin the process of selecting a new principal for Dean. Dean Middle School will deeply miss Mr. Pham. Thank you for helping us "Win the day!"

Celebrating Student Success at UIL

Our wonderful choir students competed at UIL evaluation and received excellent and superior ratings from the judges. Way to go Mustang Choirs!

Congratulations to Mrs. Redus and her orchestra students—Sweepstakes at last week's UIL competition!!! The "Sweepstakes" trophy means they scored the highest scores possible in the competition. We are very proud of our Mustangs!

Student creations in our CTE classes

FROM TEACHER, TO STUDENT

On February 19th, the district held a Professional Development Day for our staff. Our teachers got the opportunity to play the role of a student and learn about what our students create and what machines they use in our Principles of Applied Engineering and Manufacturing classes.

SPRING STAMPEDE

This past Saturday, March 23rd, we held our third annual Spring Stampede here at Dean Middle School. Students, staff, parents and other community members came out to enjoy entertainment for the entire family. We had a car show, live performances by our fine arts department, a dunk tank where students got the chance to dunk their favorite teachers, free games, and endless fun. Thank you to everyone who came out to enjoy the sunny day with their family and our Mustangs.
