PURPOSE

P.B.I.S. is a program in schools across the district that seeks to recognize great student behaviors, and to support students in continuing to SOAR daily while at Labay Middle School.

REWARDS

Students can spend their points at our SOAR store each week on Friday. They can purchase fidgets, t-shirts, stickers, chips, candy, games, and more!

PARENTS-

Help support PBIS with volunteer time or donations! At the grocery store? Pick up some extra chips or candy and donate it to PBIS! You can also volunteer to help. Finally, help us get your input by scanning the QR code and give us feedback to better build our program!

STUDENTS-

Demonstrate SOAR behaviors each day. Ask your teachers, "How can I earn SOAR points today?" Ask Mr. Perez about how to volunteer as a student PBIS member. Participate in events. Finally, help us get your input by scanning the QR code and give us feedback to better build our program.
