Congratulations

You have been accepted to the Lone Star College! You are now a part of a nationally recognized, globally connected, and locally focused institution of higher learning. You can register for courses at any one of our six state of the art, comprehensive college campuses or satellite centers.

Your first step in the admissions process is complete. Sign into the secure LSC student portal, [myLoneStar](#), to review your personalized New Student Checklist (referenced below). All steps in your checklist must be complete in order to register for classes:

- Apply for admission (Complete!)
- Complete pre-assessment activity
- Complete placement testing
- Satisfy bacterial meningitis vaccination requirement
- Submit high school and college transcripts
- Complete new student orientation
- Register, pay, & go to class

You will also receive an email with instructions on how to complete the Campus Health, Safety, & Risk-Management Awareness (CHSRMA) Online Modules. These modules help foster a supportive learning environment and completion is required of all new students.

Check your LSC student email, the official communication method of Lone Star College, in [myLoneStar](#). In the future, information regarding your classes, financial aid, orientation, and other LSC communications will *only* be sent to your @my.lonestar.edu email address.
