

# Leonard Brautigam Center

September 13, 2021

Dear Parents,

On behalf of the faculty and staff of the Leonard Brautigam Center, I'd like to invite you to our Open House on Monday, September 27. Your participation in this important event will serve to establish the foundation for a fulfilling and productive year for your son/daughter. The evening will begin at 6:30 P.M. with distribution of student schedules and a short general assembly in the Student Union followed by free-flow visitation of classes. Please feel free to invite your child, our amazing students, to join you.

Our Brautigam Center Open House affords you an opportunity to meet your student's teachers who will provide an overview of courses and other information such as grading procedures and classroom expectations. Additionally, our administrative team will be on hand to answer any questions you may have. We are all eager to meet you and express our appreciation for your support of the Brautigam Center.

We look forward to working with you to ensure success for your son or daughter at the Brautigam Center. Because our young people are our most precious commodity, they deserve the best that home and school together can provide. Open House is an important point of departure to that end. Please make every effort to join us September 27th.

Respectfully yours,

Martha Strother, Principal
