August 4, 2022

Dear Parents and Guardians,

I am so honored to introduce myself to you as the new principal of Kahla Middle School. Although I am new to Kahla, I have had the privilege to serve as an educator and administrator in Cypress Fairbanks during the past 18 years. I look forward to meeting you and collaborating this upcoming school year as we strive for excellence for every knight, every day.

When we return to school on Monday, August 22, 2022, we will have new school hours of 7:45 a.m. – 3:10 p.m. Doors will open for our students at 7:25 a.m.

Transportation information is available on the website at <https://www.cfisd.net/bus>. Please visit <https://www.zpassplus.com/> to sign up for the Student ID program ‘parent portal’, free to all CFISD parents. For parents wishing to drop off their students, please enter the car rider line at the intersection of W. Little York and Yorkshirewoods LN.

All students will be required to use clear backpacks and wear ID badges.

The list of school supplies for grades 6-8 can be found on our Kahla Website.

CFISD students are assigned a device to be used as an educational tool in and out of the classroom. At Kahla Middle School, we expect all students to bring their fully charged device to school each day. Every Kahla classroom will have charging stations if a student’s computer needs a refresher charge. The devices will be used throughout the day in each of their classes to access their digital textbooks and resources, explore learning, collaborate with other students, create products, show mastery of skills and other instructional purposes. It is vital that students handle their devices appropriately and with care. If a student’s device is damaged or is not working properly, it is imperative that they immediately report the issue through the HappyFox application. HappyFox is included as an icon located on the student’s dashboard.

School meals will no longer be offered at no cost to all students. Only students who meet eligibility requirements will receive free meals upon completion of the online application. You are strongly encouraged to complete the online application at [schoolcafe.com](http://schoolcafe.com) as soon as possible.

I am beyond grateful for your support as we work together to develop the promise in every student as they find their purpose. I’m excited about everything that we are going to achieve together and can’t wait to start an incredible 2022-2023 school year with you and our Kahla Knights!

Sincerely,

*Joshua Carroll*
