To see all signups, select from the tabs or drop-down menu at the top of the page. You can then view each signup individually. Check back for opportunities throughout the year.

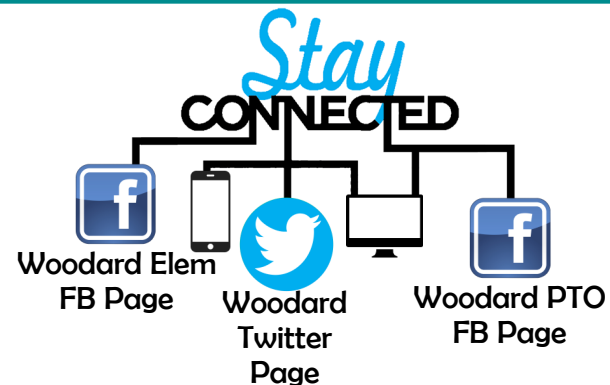

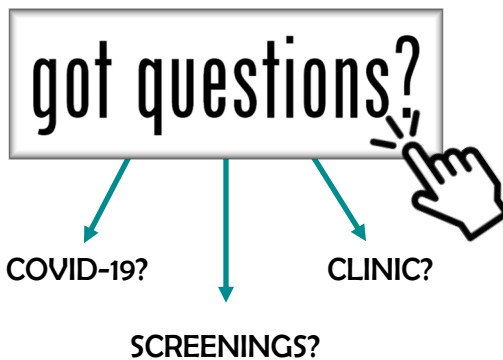

ALL CFISD volunteers are REQUIRED to register with the district. If you are a parent, grandparent or legal guardian, please complete the steps to set up a volunteer portal account. Upon approval, you will receive instructions on how to access your account.

This is a short process, and it's important for the safety of students and staff.

Visit CFISD Website for more information.
