

## COMMITMENT

**LEAD Safely** is our commitment to continuing to provide a safe learning environment for all of our students and staff. LEAD Safely 2020-2021 was developed by the Reopening CFISD Committee, comprised of administrators, principals, teachers, parents, and students and based on guidance from the Texas Education Agency. This plan was originally released on July 27, 2020 and has been revised as we have received additional guidance from the county and state during an ever-changing situation.

Cypress-Fairbanks ISD will continue to offer **On-Campus** learning and **CFISD Connect**, a remote learning option, **during the summer of 2021**. Both options will follow the same calendar, grading procedures, and attendance policies, as well as the same curriculum.
