

Bleyl Middle School: 2022-2023

Attendance for Game/Event Procedure

We are thrilled to have the support of our students, parents and staff at our Brahma Athletic events!

Effective September 20th, Bleyl students who plan to attend athletic events will be required to obtain a Bleyl designated colored wrist band (at no cost) each game day, **during their lunch time only**. No wristbands will be issued after a student's lunch period. The wristband designates that each student is:

- cleared of all fines and fees **by their lunch time the day of the event** (fines can be paid via School Cash Online)
- has not received any discipline consequences the week prior and up until game day.

Receiving the required colored band is the **only** way students will be allowed to attend home campus games. All students must have their wrist band **prior** to ordering tickets online or in person at the entrance of the game. ***(Refunds will not be issued for students who are not cleared)***

ADDITIONAL GAME DAY INFORMATION:

In addition to the important information above, below you will find additional reminder information:

- Students are **required** to go home and return for the start of the game/event (this includes students attending tutorials after school).
- As a proactive measure:
 - Parents/guardians can monitor tardy consequences because the Tardy Calculator system sends emails to parents daily.
 - All outstanding fines & fees are sent to parents weekly from the "Bleyl Library email" and includes all badges and miscellaneous fees.
 - Fines and fees will **not** be collected/accepted at the entrance of the game/event.
- Students will not be refunded if they purchase a ticket **and are not cleared for a wristband**
- Students must follow the CFISD Code of Conduct while attending all games/events.
 - Student ID Badges are required to attend after school events
(wristbands will ONLY be given to students with Photo ID Badges-No Temporary Stickers)
- Parents are not required to attend the game/event with their student (but always welcome), but all students must be picked up immediately at the end of games/events in order to attend future games/events.

Thank You,

Bleyl Middle School Administration
