Dear Parents(s) or Guardian(s),

The safety and welfare of our students and staff are our highest priorities. To provide schools an opportunity to practice emergency response procedures, all students and staff will regularly participate in emergency preparedness drills. The goals of the training drill are to improve our ability to protect students and staff, evaluate our emergency operations plan and improve our response skills. Tomorrow, we will be conducting emergency drills. If you arrive on campus during these drills, you will not be allowed entry, and phones will not be answered until after the drill has concluded.

Emergency procedures have been established for the following potential incidents:

EVACUATE (Fire, Explosion, Smell of Smoke, Fire Alarm)

LOCKDOWN (Intruder inside Building, Weapon, Active Shooter, Hostile Individual)

SECURE (Police Activity Outside or Near the Building- Secure the Perimeter)

HOLD (Safeguard students and staff inside the building)

SHELTER (Severe Weather, Tornado, High Winds, Hurricane)

Tomorrow, October 3rd, our students will be participating in the following drills:

EVACUATE

SHELTER

Our staff used the first few days of school to review the proper procedures for each of the crisis drills listed above. We want to provide our students with an understanding of emergency preparedness in the event of a crisis. If you have any questions or need further information, please do not hesitate to call our school office at (281) 213-1650.

Sincerely,

Schonda Kidd,
Principal

WHEN YOU MISS SCHOOL, YOU MISS OUT

DID YOU KNOW?

Your child can suffer academically if they miss 10 percent (about 18 days) of school. That can be just two days a month, and that can happen before you know it.

It doesn't matter if these absences are excused or unexcused. They all represent lost time in the classroom and a lost opportunity for your child to learn.

Attendance matters as early as kindergarden. Studies show that children who miss too many days in kindergarden and first grade have trouble mastering reading.

Attendance is an important skill that will help your child graduate and do well in college and/or work.

Unexcused tardies are not converted to unexcused absences.

Tardies are a disciplinary issue that is addressed by the CFISD Code of Conduct.

WHAT CAN YOU DO?

For younger children, set a regular bedtime and morning routine. Layout clothes and pack backpacks the night before.

For older children, you can set up homework and bedtime routines. Make sure that when the lights go out, so do the cell phones, video games, computers and other devices.

Try not to schedule medical and dental appointments during the school day. If necessary, schedule appointments after 10:30 a.m. and bring back an excuse note from the healthcare provider.

Avoid keeping children at home unless they are too sick to participate. In general, children with fever, vomiting, diarrhea, or a contagious illness should stay home and not come to school until symptom-free for at least 24 hours unless directed otherwise by a health care provider/school nurse.

Set an example for your child. Show them that attendance matters to you and that you won't allow an absence unless absolutely necessary.

At CFISD, learning is taking place all day—every day. If your child says otherwise, call the campus principal or counselors immediately.

INTRO TO SUPPORTING THOSE AT RISK

When someone in your life attempts suicide or experiences suicidal thoughts, it can be difficult to know how to best support them in their recovery. Introduction to Supporting Those At Risk provides information and resources on how to support someone in your life with “lived experience,” i.e., someone who has made a suicide attempt, or experiences suicidal thoughts.
