Dear Parents(s) or Guardian(s),

The safety and welfare of our students and staff are our highest priorities. To provide schools an opportunity to practice emergency response procedures, all students and staff will regularly participate in emergency preparedness drills. The goals of the training drill are to improve our ability to protect students and staff, evaluate our emergency operations plan and improve our response skills. Tomorrow, we will be conducting emergency drills. If you arrive on campus during these drills, you will not be allowed entry, and phones will not be answered until after the drill has concluded.

Emergency procedures have been established for the following potential incidents:

**EVACUATE** (Fire, Explosion, Smell of Smoke, Fire Alarm)

**LOCKDOWN** (Intruder inside Building, Weapon, Active Shooter, Hostile Individual)

**SECURE** (Police Activity Outside or Near the Building – Secure the Perimeter)

**HOLD** (Safeguard students and staff inside the building)

**SHELTER** (Severe Weather, Tornado, High Winds, Hurricane)

Tomorrow, September 6<sup>th</sup>, our students will be participating in the following drills:

**EVACUATE**  
**LOCKDOWN**

Our staff used the first few days of school to review the proper procedures for each of the crisis drills listed above. We want to provide our students with an understanding of emergency preparedness in the event of a crisis. If you have any questions or need further information, please do not hesitate to call our school office at (281) 213-1650.

Sincerely,

Schonda Kidd,  
Principal
