# WHEN YOU MISS SCHOOL, YOU MISS OUT

## DID YOU KNOW?

**Your child can suffer academically** if they miss 10 percent (about 18 days) of school. That can be just two days a month, and that can happen before you know it.

**It doesn't matter if these absences are excused or unexcused.** They all represent lost time in the classroom and a lost opportunity for your child to learn.

**Attendance matters as early as kindergarden.** Studies show that children who miss too many days in kindergarden and first grade have trouble mastering reading.

**Attendance is an important skill that will help your child graduate** and do well in college and/or work.

**Unexcused tardies are not converted to unexcused absences.**

Tardies are a disciplinary issue that is addressed by the CFISD Code of Conduct.

## WHAT CAN YOU DO?

**For younger children, set a regular bedtime and morning routine.** Layout clothes and pack backpacks the night before.

**For older children, you can set up homework and bedtime routines.** Make sure that when the lights go out, so do the cell phones, video games, computers and other devices.

**Try not to schedule medical and dental appointments during the school day.** If necessary, schedule appointments after 10:30 a.m. and bring back an excuse note from the healthcare provider.

**Avoid keeping children at home unless they are too sick to participate.** In general, children with fever, vomiting, diarrhea, or a contagious illness should stay home and not come to school until symptom-free for at least 24 hours unless directed otherwise by a health care provider/school nurse.

**Set an example for your child.** Show them that attendance matters to you and that you won't allow an absence unless absolutely necessary.

**At CFISD, learning is taking place all day—every day.** If your child says otherwise, call the campus principal or counselors immediately.
