Save the dates for Chromebook Week and Device Check! We have some exciting news to share with you. On **January 23<sup>rd</sup>, 24<sup>th</sup>, and 25<sup>th</sup>**, we will have

a special time where we will ask all students to shut down their Chromebooks, turn them back on, log back in and use them for at least 15 minutes. This process is crucial as it allows our skilled technicians to ensure that every student has the correct Chromebook and address any potential issues that may arise. Additionally, it guarantees that all necessary updates are installed on the Chromebooks, keeping them up-to-date and running smoothly. We kindly request that you remind your students to bring their Chromebooks to class every day, fully charged, but especially during Chromebook Week. Your support in this matter is greatly appreciated. Let's make this event a success and provide our students with the best possible learning experience. Thank you!
