CFISD Chromebook Week and Device Check

What is it?

Chromebook Week and Device Check are designed to effectively track Chromebooks and ensure that the device receives all the required updates. In addition, students can submit support tickets for any issues they encounter with their devices.

When is it?

Chromebook Week and Device Check will be the last full week in September, November, January, and March each school year. Tuesday, Wednesday, and Thursday will be the log-in days. Campuses choose the period or time of day.

What do we need students to do?

- Power off their devices and then turn them back on.
- Sign into their Google account and the student portal.
- Use the device for at least 15 minutes for 3 consecutive days.
- Submit a support ticket if there are problems with the device.

What kind of issue require a support ticket?

- Cracked screen
- Touch screen not working correctly
- Device won't connect to the internet
- Headphones won't work when connected
- Cracks on lid or keyboard
- Missing keys
- Won't charge
- Lost charger/case/device

How can you help?

- Make sure that students bring their devices each day during Chromebook week.
- Help students follow the process of shutting the device down and then logging back into the device.
- Ask students if they have put a support ticket for device issues.

WHEN YOU MISS SCHOOL, YOU MISS OUT

DID YOU KNOW?

Your child can suffer academically if they miss 10 percent (about 18 days) of school. That can be just two days a month, and that can happen before you know it.

It doesn't matter if these absences are excused or unexcused. They all represent lost time in the classroom and a lost opportunity for your child to learn.

Attendance matters as early as kindergarden. Studies show that children who miss too many days in kindergarden and first grade have trouble mastering reading.

Attendance is an important skill that will help your child graduate and do well in college and/or work.

Unexcused tardies are not converted to unexcused absences.

Tardies are a disciplinary issue that is addressed by the CFISD Code of Conduct.

WHAT CAN YOU DO?

For younger children, set a regular bedtime and morning routine. Layout clothes and pack backpacks the night before.

For older children, you can set up homework and bedtime routines. Make sure that when the lights go out, so do the cell phones, video games, computers and other devices.

Try not to schedule medical and dental appointments during the school day. If necessary, schedule appointments after 10:30 a.m. and bring back an excuse note from the healthcare provider.

Avoid keeping children at home unless they are too sick to participate. In general, children with fever, vomiting, diarrhea, or a contagious illness should stay home and not come to school until symptom-free for at least 24 hours unless directed otherwise by a health care provider/school nurse.

Set an example for your child. Show them that attendance matters to you and that you won't allow an absence unless absolutely necessary.

At CFISD, learning is taking place all day—every day. If your child says otherwise, call the campus principal or counselors immediately.
