Student Safety

Student safety is a top priority at Warner Elementary. As always, we will be practicing several different emergency scenarios. In addition to monthly fire drills, we are required by our district to practice the following drills: lockdown, shelter, lockout and a reverse evacuation.

Our goal for performing the drills is to provide our students and staff with knowledge about possible emergency situations and to make sure they are familiar with our campus procedures. We will assure students that there is no actual emergency. We will do our drills on Tuesday, **September 14, 2021, weather permitting.**
