

MESSAGE FROM THE SUPERINTENDENT

Feb. 21, 2021

Dear CFISD Community,

The last week has certainly been a whirlwind, but I have been encouraged by the progress that has already been made to resume the 2020-2021 school year.

Our facilities, maintenance and operations teams have continued to work around the clock to assess, clean and disinfect, and make repairs to district facilities in order to prepare them for students this week. Their efforts will continue throughout the weekend to ensure buildings are accessible and safe for staff and students. There has been some positive momentum with local boil-water notices, as more municipal utility districts (MUDs) are lifting the notices that impact many CFISD campuses. While some notices are still in place, we plan to know more information by Monday afternoon and will provide an update at that time.

We look forward to welcoming employees back for the staff work day on Monday, Feb. 22 and students back to school on Tuesday, Feb. 23. It has taken a lot of teamwork and manpower to get CFISD up and running, and I am thankful for an outstanding workforce and community that has made it possible.

Sincerely,

Mark Henry, Ed.D.
Superintendent of Schools
