WHAT IS FUTBOLITO IN THE CITY?

Futbolito in the City powered by Shell Energy provides free soccer programming and free play to youth in the greater Houston area. Houston Dynamo FC and the Houston Dash will provide free coaching for kids ages 6-14 for 90 minutes once a week for ten weeks (split into two five-week sessions). Futbolito in the City is hosted at local parks, schools and Houston Dynamo FC/Dash mini pitch locations. This program uses the power of soccer to provide an opportunity for youth to pursue their interest in playing the sport and gaining new skills at zero cost to their families. Kids will register for each program via online registration.

We have partnered with the Mayor's Office of Gang Prevention and Intervention to provide a safe space for kids to play. Participants will have the opportunity to receive prizes including Dynamo FC/Dash gear, tickets, autographs and the chance to meet Dynamo FC/Dash players. Register for one location or all of the locations below to be a part of the fun!
