

## GET CONNECTED!

### **Sign up for School Messenger & receive the Cy-Creek Key Communicator & Cougar Link Newsletter**

CFISD is pleased to announce the launch of SchoolMessenger, the district's new notification system, to keep you informed about district and campus activities, attendance, transportation and food service; and, most importantly, accurate, real-time information during an emergency situation. This system is designed to send phone calls, emails and text messages, allowing you to select how you prefer to be contacted.

To receive the Key Communicator and the Cy-Creek Cougar Link, a weekly parent email newsletter you will need to create an account on SchoolMessenger and be sure to include a valid email address as one of your account contact choices.

As part of the Key Communicator and Cougar Link you will receive important school information, calendar events, volunteer opportunities, news & notes about what is happening around the campus, SNAP information and much more.

Please note, everyone will need to set up an account on SchoolMessenger in order to receive the Key Communicator and the Cougar Link, whether or not you were already receiving these two types of communications in the past.

Please go to [www.cfisd.net](http://www.cfisd.net) to create your SchoolMessenger account.
