

# Welcome To Your 2023-2024 School Year!

Hey LBC Students, we are very excited to welcome you back to school Monday, August 28 at 8:15. We look forward to pushing you to become the very best version of yourself! We have missed your happy energy since you left in May! We will be welcoming you back in a JOYful way because YOU...yes, YOU... bring us our JOY each day!

Parents, we invite you to watch your child grow and develop before your very eyes! We look forward to working closely with you to ensure your child's success throughout this school year and walking shoulder to shoulder with you this year and in years to come. Please know you are always welcome on our campus, and my door is always open for your visit.

Students, the Leonard Brautigam Center (LBC) faculty and staff join me in pledging our support to YOU as we begin what promises to be a remarkable year! We hope while you are with us that you will distinguish yourself through LBC's three A's...your Academics, your Attendance, and most of all, your day-to-day Attitude.

We look forward to walking alongside you, guiding you to be your best each day! You will quickly realize our teachers and staff members are quite talented in finding the best in every student and developing it to maximum effect!

Classes begin *Monday, August 28th at 8:15 a.m.* Students, please report by 8:00 so we can distribute schedules, process ID badges, issue parking stickers (no fee), etc. Student parking is in the back parking lot.

Please feel free to call us at 281-807-8684 with any questions you may have. Let's work together to make this your most productive and memorable year yet!

*Martha Strother, Principal*

*This is my happy place... this is where I belong!*

*I hope it can be for YOU as well!  
We all welcome you to our campus whose different beat and cadence will create a sense of belonging for YOU!*

*Experience the Brautigam Difference!*
