CAMP INFORMATION GUIDE

CAMP INFORMATION GUIDE

GRADES K-1

Colorful Creations Art Camp

Come join me on a week-long adventure as we “Rumble through the Jungle” and make a “Commotion in the Ocean”. Students will make crafts inspired by the popular children’s books written by Giles Andreae. The books incorporate both poetry and rhymes to describe an array of creatures that live in the ocean, in a jungle, and on a farm. Students will bring the pages of the books to life as they craft their own jellyfish, lion, python, clucking chicken and so much more!

Cooking Tales Adventure

Do you love books? Do you love to cook? Let’s explore characters and our taste buds while creating recipes using our favorite books! We will cook up our very own literature cookbook as we bring stories to life! You will leave with your very own cookbook of recipes!

Crayola Craze

Discover the magic of color with hands-on Crayola fun! Crayons are not just for coloring at this camp! From melted crayon art to DIY crayon playdough, the crayon experience will be one to remember. Take your incredible projects home daily!

Legomania

If you like to build and create using Legos and your imagination, then this camp is for you! Use your creativity to build cars, boats, people, animals, cities, and more. We will challenge you to code a Lego maze, construct a bridge, create a secret Lego code, and make a Lego pod!

Let’s Get Movin’

Do you love being active? Was your favorite large group place PE? Do you love playing games like FLIP IT FITNESS and EXTREME RACE CHASE? Do you love a little healthy competition? Do you want to learn how to gain confidence? Come join us for an array of games in an air-conditioned full-sized gym for the best summer ever!

STEAM Exploration Station

All aboard! Choo! Choo! Come ride our station train to explore and discover with hands-on fun! Create a rainstorm in a glass and a snowman that won’t melt with our daily science experiments. Make a sock puppet and get ready for the show. We need engineers to build towers, mazes, and contraptions. We will work all week on our egg drop project and test it on Friday two stories high!

Superhero Camp

It’s a bird, it’s a plane, it’s superhero camp! This fun-filled camp will have games, crafts, STEAM challenges, songs, and dance with all your favorite superheroes. Come and find out what your superpower will be!

CAMP INFORMATION GUIDE

GRADES 2-3

Artsy Craftsy

Put your crafting creativity to the test! The paper mache hot air balloon will have you soaring in your craft. Who doesn't love duct tape art? Choose among the endless duct tape designs! Paint a salt watercolor masterpiece!! Sign up for crafts galore with even more in store!

Coder Kids Challenge

Join us for an adventure in coding! We will learn how to animate characters and create games using sounds and special effects. Experience coding both with and without a computer using basic programming skills. Come to our coding playground and leave as a computer programmer! We will break out and solve digital escape room mysteries too!

Crayola Craze

Discover the magic of color with hands-on Crayola fun! Crayons are not just for coloring at this camp! From melted crayon art to DIY crayon playdough, the crayon experience will be one to remember. Take your incredible projects home daily!

Hip Hop Dance

Get ready to bounce and rock! Learn the basic hip hop moves by a true dance instructor from Classic Dance Studio. Get ready to perform a hip hop dance in small groups by the end of the week!

Kids Baking Championship

Let's explore measurements, mixing, and our taste buds all while creating yummy recipes. Compete as a team to bake the best cupcakes! While our cakes bake we will get creative with a few arts and crafts. Will you be the next Kids Baking Champion?

Legomania

If you like to build and create using Legos and your imagination, then this camp is for you! Use your creativity to build cars, boats, people, animals, cities, and more. We will challenge you to code a Lego maze, construct a bridge, create a secret Lego code, and make a Lego pod!

Let's Get Movin'

Do you love being active? Was your favorite large group place PE? Do you love playing games like FLIP IT FITNESS and EXTREME RACE CHASE? Do you love a little healthy competition? Do you want to learn how to gain confidence? Come join us for an array of games in an air-conditioned full-sized gym for the best summer ever!

Space Camp

Become a NASA recruit and unlock the Alien Message Cypher, investigate the solar system, and do a simulation of what it feels like to walk on the moon. Create a constellation jar and watch it light up! Design your own new planet to add to our solar system. All this and more as you earn your very own NASA ID badge!

CAMP INFORMATION GUIDE

GRADES 2-3

X-treme STEAM

Do you enjoy designing and building using your own creativity? Are you ready for a challenge? STEAM camp combines hands-on engineering challenges, digital investigations and more! Work with a team and build bridges, float boats, create marble roller coasters and don't forget the egg drop project. Join us this summer to move your gears and be an engineer!

CAMP INFORMATION GUIDE

GRADES 4-5

All About Robotics

Come to camp this summer and spend a week building an EV3 Lego robot with your friends that you will learn to code and control. There will be plenty of challenges coming your way including driving a maze, robot races, battle bots, engineering challenges, and more. So what are you waiting for? Let's build!

Dance Party!

Learn a variety of basic dance moves from a true instructor from Classic Dance Studio. Get ready to perform a dance routine in small groups by the end of the week.

Get Your Game On!

Have you ever played indoor KICKBALL where you play off the ceiling and walls? Do you like GAGA BALL, AIR RAID, and HULA HOOP DODGE? Have you tried INDOOR SOCCER and SCOOTER BASKETBALL? Do you enjoy a friendly competition of NEWCOMB, TAIL TAG and 4-SQUARE? For the kids who enjoy being active and trying new things to the seasoned athlete, have we got a camp for you! Come join us for an array of games in an air-conditioned full-sized gym for some fun this summer.

Lights! Camera! Action!

Join me as we embark on a journey to learn the ins and outs of life on the stage! We will learn the basics of theatre and prepare to put on our own small production.!

STEAM Creation Lab

Do you enjoy designing and building using your own creativity? Are you ready for a challenge? STEAM camp combines hands-on engineering challenges, digital investigations and more! Work with a team and build bridges, float boats, create marble roller coasters and don't forget the egg drop project. Join us this summer and move your gears and be an engineer!

STEAM Earth

Our campers will enjoy creating arts and crafts projects, as well as using some technology, while learning about Earth's biomes. We will have a blast trekking through deserts, oceans, rainforests, and the arctic. Our projects will include printmaking, salt dough, mixed media collages, weaving, and more!

Traveling the Galaxy

Let's explore the sun, the moon, and the stars! Build and launch rockets, make plaster paris dinosaur fossils, and paint a meteor shower. Enjoy "pluto" cookies, cosmic brownies, and seeing the layers of the earth while creating a dessert parfait. Come and travel the Milky Way Galaxy with me!

WeVideo Productions

Become the Actor, Director, and Writer that you were always meant to be using WeVideo. Create commercials and movies with your own brilliant editing and special effects. Use Green Screen to make a mini-movie production, grab some popcorn, and get ready for the viewing show!

CAMP INFORMATION GUIDE

GRADES 6-8

Artsy Craftsy

Put your crafting creativity to the test! The paper mache hot air balloon will have you soaring in your craft. Choose among the endless washi and duct tape designs! Get ready as you create an "I am canvas" masterpiece all about you! Sign up for crafts galore with even more in store!

Around the World with Cooking and Crafts

Travel with me and learn about language, foods, and traditions from around the world! Our first stop is Brazil to make Brigadeiro, a creamy chocolate truffle. We will craft cuckoo clocks in Germany, eat Fondue in France and create the trickling sound of falling rain with a DIY Australian rainstick. Our final stop is Mexico with the traditional chips and queso pinata party! Join us for a week of multicultural fun!

Beach House Architect

Do you like the beach? Are you ready to design your own beach house community? You will design and create a 3D beach house community model. We will do fun STEM challenges throughout the week that will reinforce our architecture and engineering skills.

Dance Party!

Learn a variety of basic dance moves from a true instructor from Classic Dance Studio. Get ready to perform a dance routine in small groups by the end of the week.

Get Your Game On!

Do you like games and fun competitions? Have you heard of Scooter Boat Knock Down, Ga Ga Ball, or Newcomb? We will also have real bowling lanes from Copperfield Bowling Alley! Play indoor soccer in the cool air-conditioned gym. Come join us for an array of your favorite gym games and activities. An "Athlete of the Day" and "Good Sport of the Day" will be recognized for top skills and sportsmanship.

Introduction to Improvisational Theater

Whether you are a serious actor looking to improve your craft, obsessed with "Whose Line Is It Anyway?" and fascinated with how those guys make it all up on the spot, or just a person who loves to crack jokes and make people laugh.... THIS IS THE CAMP FOR YOU! This Improv class WILL make you a better actor, WILL build your confidence, WILL teach you how to think on your feet and how to adapt to ANY situation! Improv will make you more creative, help you become a team player, make you a better listener, help you take risks and make big choices, bring out your playful side, help you enjoy the moment, and be a more positive person!

STEAM Central

Do you enjoy a challenge using your science, technology, engineering, art, and math skills? STEAM camp combines hands-on building challenges, digital investigations, science experimenting, artistic exploration and more! A summer of STEAM challenges coming your way! Challenge #1: The Egg Drop Competition!

Technology Inc.

Do you love playing video and computer games with your friends? Join us for a coding camp where you can learn how to create your own video games and animations.

WeVideo Productions

Become the Actor, Director, and Writer that you were always meant to be using WeVideo. Create commercials and movies with your own brilliant editing and special effects. Use Green Screen to make a mini-movie production, grab some popcorn, and get ready for the viewing show!
