

# **Cypress-Fairbanks Independent School District**

## **Bridgeland High School**

**2023-2024**

# Mission Statement

Bridgeland High School will develop, educate and empower all students to become caring, contributing citizens who can succeed in an ever changing world.

## Vision

Bridgeland HS will strive to have every student feel valued and part of the greater school community. This will set the foundation for students to work with the staff, their parents and the community to form a successful team. This team will provide a safe, friendly and consistent learning environment, along with a well-balanced and challenging curriculum, so that every student can develop the skills necessary to be successful in learning, as well as in life, in an ever changing world. To ensure that all students obtain these skills, the staff, parents, and administrators will not only provide the opportunities for students to discover the enjoyment in the value of daily learning but will continually strive to help each student reach their full potential.

# Comprehensive Needs Assessment

## Student Achievement

### Student Achievement Strengths

The following strengths were identified based on a 2022-23 data review.

Bridgeland High School students showed growth at all grade levels. In our academic core areas, elective programs, and extracurricular activities. BHS students continue to make strides and recuperate from the changes brought on by the COVID-19 pandemic.

#### EOC-tested subjects

- Algebra I met or exceeded the cluster group in the Approaches, Meets, and Masters categories by at least 4%.
- English I met or exceeded the cluster group in the Approaches, Meets, and Masters categories by at least 2%
- English II met or exceeded the cluster group in the Approaches, Meets, and Masters categories by at least 1%
- US History met or exceeded the cluster group in the Approaches, Meets, and Masters categories by at least 1%

#### Advanced Placement (AP) results

- BHS has increased the number of students taking AP courses to 1,006, this is 146 more students than the previous year and almost double our pre-pandemic number of students who were taking AP courses.
- 78% of the students who took an AP scored a 3 or higher, with an increase of 6% from the previous year.

#### CTE and Electives

- BHS had 1,492 earned certifications, a **28% growth over the previous year**. This exceeded their target growth by 18%
- BHS has been awarded the #1 spot for most certifications earned.

### Problem Statements Identifying Student Achievement Needs

**Problem Statement 1:** English Language Arts: African-American Male students missed the campus target by at least 2% in the Approaches, Meets, and Masters categories. **Root Cause:** English Language Arts: Teacher Expectations and lack of culturally relevant materials.

**Problem Statement 2:** Math: African-American Male students missed the campus target by at least 9% in the Approaches, Meets, and Masters categories. **Root Cause:** Math: Teachers lack of design anticipatory sets that promote appropriate levels of student engagement.

**Problem Statement 3:** Science: Economically disadvantaged students missed the campus target in the Masters category by 12%. **Root Cause:** Science: lack of planning engaging and effective lessons that could reach economically disadvantaged students.

**Problem Statement 4:** Social Studies: Economically disadvantaged students missed the campus target in the Meets and Masters category by at least 2%. **Root Cause:** Social Studies: Teachers will build more scaffolding into lessons to support students learning gaps.

**Problem Statement 5:** Economically Disadvantaged Students in Advanced Courses/Dual Credit Courses: number of economically disadvantaged students enrolled in advanced and dual credit courses. **Root Cause:** Economically Disadvantaged Students in Advanced Courses/Dual Credit Courses: we will continue to build scaffolds that support background knowledge gaps.

**Problem Statement 6:** CTE Approved Industry Certifications: number of students eligible to receive industry certifications **Root Cause:** CTE Approved Industry Certifications: Increase the number of completed certifications by closely monitoring, tracking, and connecting students with resources when they need them to complete industry certifications.

**Problem Statement 7:** Graduation Rate: For 2023 we did not have 100% of eligible seniors graduate in May **Root Cause:** Graduation Rate: The campus will implement ways to motivate economically disadvantaged students who have excessive absences or who are credit deficient to help them graduate.

**Problem Statement 8:** Students are beginning the 2023-24 school year with learning gaps. **Root Cause:** The onset of COVID-19 in the spring of 2020 and the implications of modified instructional methods necessitated by the need for immediate remote learning.

# School Culture and Climate

## School Culture and Climate Strengths

The following are strengths of the campus in regard to school culture and climate.

- Our teachers and assistant principals continue to collaborate to implement restorative discipline practices for all students.
- We successfully conducted the required safety drills for our campus each month in accordance with Lead Safely requirements.
- Through Advisory, lessons from Project Safety are discussed on themes pertaining to student wellbeing each month. Our instructors lead class discussions on the value of everyone on campus being safe, healthy, and compassionate.
- In addition, our campus completed all of the required character education lessons, which increased students' school pride by learning and celebrating our campus origin and traditions.
- All full-school festivities, including Open House, Homecoming dance, Prom, 9–12th Awards Night, Powder Puff, and King Kodiak, resumed in 21–22 after the pandemic and continue in the 22-23 school year. Additionally, we packed the campus for all performances of theater and concerts.
- The following programs had 80% of their students scored a 3 or higher in their AP tests: 2-D Art and Design, 3-D Art and Design, Art History, Biology, Calculus AB, Calculus BC, Chinese Language and Culture, Computer Science A, Computer Science Principles, Drawing, English Literature and Composition, European History, Macroeconomics, Physics C: Mechanics, Spanish Language and Culture, Spanish Literature and Culture.

## Problem Statements Identifying School Culture and Climate Needs

**Problem Statement 1:** Some students' consistent attendance continues to be a challenge, which has a detrimental influence on their results because of missed lessons and make-up work. **Root Cause:** To address the issue of excessive absences, we must track and address each student individually and with a plan of action

# Staff Quality, Recruitment, and Retention

## Staff Quality, Recruitment, and Retention Strengths

The following are strengths of the campus in regard to staff quality, recruitment, and retention.

- Bridgeland has a strong staff retention rate, and many district instructors cite Bridgeland when looking for transfers within the district.
- In order to interview potential new hires, department heads, and an administration partner look for highly qualified people who suit the campus and its pedagogical goals.
- First-year teachers and teachers who are new to the CFISD are supported in their development and success through the New Teacher Induction Program. All new teachers in Bridgeland's NTIP are paired with a campus mentor teacher, who serves as the program's lead mentor.
- A Campus Instructional Coach, who has more time to provide individualized coaching support, is assigned to first-year teachers.
- The NTIP provides targeted professional development at least twice per semester, with themes dependent on demand and time of year (class management, uploading grades, etc.).

## Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

**Problem Statement 1:** Teacher/Paraprofessional Attendance: Absences for teachers and paraprofessionals are much higher on Friday and Monday, especially in late fall and throughout the spring. **Root Cause:** Teacher/Paraprofessional Attendance: We need to give incentives for instructors to be present on Fridays, as well as awards for outstanding attendance.

# Parent and Community Engagement

## Parent and Community Engagement Strengths

The following are strengths of the campus in regard to parent and community engagement.

- Our Open House, with a come-and-go format, was widely attended and quite successful.
- We also organized our first vertical Horizons Showcase in March 2022, in collaboration with Salyards and Smith Middle Schools, and it was enthusiastically attended and well-received by teachers, students, and parents.
- Our Fine Arts department sponsored numerous shows and had numerous competition victories and their shows were widely attended by parents and the community at large.
- As part of "paying it forward," our campus clubs are expected to conduct community service projects, and we resumed the Food Drive with bagging rice that began in Bridgeland's inaugural year.

## Problem Statements Identifying Parent and Community Engagement Needs

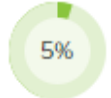

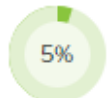

**Problem Statement 1:** Our parents may need varied forms of communication in order to access information on classes, school events, and processes. **Root Cause:** We must establish consistency and accountability in our methods for communicating with parents about academics and events.

# Goals

**Goal 1: Academic Achievement:** The district will ensure academic performance and achievement levels that reflect excellence in learning and attainment of both high expectations and high standards for all students.

**Performance Objective 1: Curriculum and Instruction & Accountability:** By the end of the current school year, students will meet or exceed the STAAR performance targets as noted on the attached CIP data table.
