The slide features a central chalkboard with a dark grey background and a thin white border. Above the chalkboard is a white Polaroid-style photo frame. The background is a light beige color decorated with various elements: colorful stars (red, yellow, green), white stars, white clouds with diagonal hatching, and dashed grey lines. At the bottom of the chalkboard, a string of colorful bunting flags (red, yellow, green) is visible. The text on the chalkboard is written in a white, hand-drawn, chalk-like font.
