

CFISD Child Guidance

Scope and Sequence

Course Description:

This technical laboratory course replaces the popular ECP I course. In a “hands-on” laboratory setting, students work with three- and four- year-old students in a preschool educational environment, applying knowledge and skills related to child growth and guidance. (2 credits)

- ◆ Grades 11 – 12
- ◆ Recommended prerequisite: Principles of Human Services
- ◆ Recommended Prerequisite: Child Development
- ◆ Application and interview may be used if demand exceeds space available.
- ◆ Lab supplies or fee will be required.
