

CFISD Cosmetology I

Scope and Sequence

Course Description:

This 2-hour block laboratory instructional sequence course continues the integration of academic, career, and technical knowledge and skills designed to provide job-specific training for employment in cosmetology careers. All the skills listed in the Introduction to Cosmetology course are continued for skill enhancement in this course. In addition, analysis of career opportunities, requirements, expectations, and development of workplace skills are included. Attendance is critical to the earning of the monitored 1000 clock hours required for qualification for taking the state examination for licensing. (2 credits)

- ◆ Grades 10 – 12, priority given to 10th/11th graders
- ◆ An application may be required if demand exceeds the number of available slots.
- ◆ Lab/kit/uniform supplies or fee may be required.

TEKS

Cluster: Human Services

Endorsement: Public Services

- Meets advanced course requirement (Y/N): N
- Meets foundation requirement for math, science, fine arts, English, LOTE (Y/N-area): N

Industry Certification/Credentials: n/a
