

Attention JuniorsFree PSAT Prep!

Information:

Kaplan is providing a unique, exciting and free program to help students *feel* prepared and confident on this milestone, PSAT Prep Live.

Beginning October 1st, Kaplan's highly-rated faculty will cover the most important PSAT content and tackle practice problems in **8 live-streaming, one-hour lessons**. In addition, students will have access to online study content and detailed explanations to the official PSAT practice test.
