Students can now get college planning advice and guidance right from their phones, with the College Board's CollegeGo mobile app. The app is available for free in the Apple and Google Play stores. <https://lp.collegeboard.org/free-collegego-mobile-app>

The app guides students through the essential steps they need to take in order to find, apply to, and attend the right college for them. The interactive, step-by-step platform uses game, video, and search features to help students plan their college journey.
