

## Cornell University Catalyst Academy Engineering Camp

Website: <http://cornellcatalyst.weebly.com/>

When: July 10 – 16, 2016

Application: <http://cornellcatalyst.weebly.com/application.html>

**Application Deadline: MIDNIGHT (EST), MARCH 1, 2016**

Tuition: \$1450.00 (Scholarship assistance available)

- Includes room, board/meals, and research supplies
- Payable after notification of acceptance/admission

**Program :** The CATALYST Academy is a one-week summer residential **program for rising high school sophomores, juniors, and seniors**. The mission of the CATALYST Academy is to advance diversity in engineering and its related disciplines. **Therefore, applications from students from backgrounds (African American, Latino/a, or Native American) critically underrepresented in the fields of science, technology, engineering, and math are especially encouraged.**

This summer spend a week making new friends, experience life on a university campus, and explore the many exciting possibilities awaiting you in engineering!

During the CATALYST Academy, Cornell University's world-renowned faculty and graduate students lead participants in classes, lab sessions, and project research. Social events, panel discussions, and other out-of-classroom activities provide participants with opportunities to network informally with Cornell faculty, staff, and students.

### **Eligibility:**

- A minimum GPA of 3.0 on a 4.0 scale
- Be a high school rising sophomore, junior or senior
- Young men and women of diverse racial, socioeconomic, or geographic backgrounds
