

THE UNIVERSITY OF A SMARTER WAY TO EARN YOUR DEGREE.

WGU  **TEXAS.**
A NEW KIND OF U.

WGU TEXAS TEACHERS COLLEGE

Online, Nonprofit, and Surprisingly Affordable

If earning a bachelor's or master's degree is your goal, WGU Texas can help you succeed. WGU Texas is an online, nonprofit university created to make affordable, high-quality education more accessible. Earn a respected, accredited degree in business, IT, nursing, or education, on your own schedule.

A Better Way to Learn

As a student at WGU Texas, you'll benefit from our competency-based learning model. It allows you to determine how fast you advance through your degree program—you can take assessments and prove mastery of the material as soon as you're ready. If you can dedicate extra time to your studies, or draw on existing knowledge and experience, you can accelerate your time to graduation, saving both time and money.

Prepare for a Successful Career

WGU Texas' degree programs in education prepare you for career success in the classroom or leadership positions by equipping you with the knowledge and skills you need to stand out in your field. Our competency-based degree programs let you draw on what you already know to potentially accelerate your progress. And we are NCATE accredited, so you can be confident that your degree will be respected wherever you go.

Plus, in 2017 the National Council on Teacher Quality (NCTQ) placed WGU's Teachers College in the top 1% nationwide for the quality of its secondary teacher-preparation programs.

WHAT YOU CAN EXPECT AT WGU TEXAS

Degrees in Less Time, for Less Money

Tuition is charged at a flat rate every six-months and covers all coursework attempted during that time. That means your tuition will not increase if you finish additional courses during a term. If you complete your degree program ahead of schedule, you'll save both time and money.

Federal financial aid and scholarships are available to students who qualify.

Regionally Accredited Degree Programs

Through Western Governors University, WGU Texas is regionally accredited by the Northwest Commission on Colleges and Universities, one of the major accrediting commissions recognized by the U.S. Department of Education.

Personalized, One-to-One Faculty Support

Faculty Mentors work with WGU Texas students personally, providing one-to-one coaching, guidance, and support from enrollment through graduation.

You Can Accelerate Your Degree

At WGU Texas, your success is measured by learning, not time spent in class. You'll earn your degree by demonstrating your skills and knowledge in required subject areas through a series of carefully designed assessments.

Our Commitments to You:

- You'll learn what you need to succeed in your career.
- You'll enjoy flexibility that fits your schedule.
- You'll have the opportunity to accelerate your degree program.
- You'll receive one-to-one faculty support.
- Your program will be affordable.
